Cabinet Resignations.

The rumor that has been rife ever since Attorney General Hoar was sworn in was made true on Wednesday last by his final resignation, and the President on Thursday sent in the name of Amos T. Akerman, of Georgia, to the Senate as his successor. But the Senate were considered unanimous in their disapproval of Mr. Akerman's confirmation, and it is believed that his name will be withdrawn.

It has been known for some time that Mr. Hoar wis opposing, in a quiet way, and he did not hesitate to denounce as corrupt some of the surroundings of the President. There has also been of late some over-rulings of his selections for attornies and marshala. He had not the power he formally possessed, but no one believed his political end was so near.

It is stated that Mr. Fish and Mr. Cox will follow the example of Attorney General Hoar, and that probably Mr. Robeson will retire from the navy department According to the statements of these who ought to know, it would appear that the President had determined to manage the administration hereafter himself in his own way, and not be controlled by his ministers. :

From present appearances it looks like trouble in the Radical happy family, and that, unless they can pacify Grant by amusing him at the watering places and liorse races as they did last season, he, Congress, and the Republican party will be arrayed in position for a political squab-

The Democracy of Fayette county have just declared in favor of Hon. Henry D. Foster as their candidate for Congress.— Since that Mr. Israel Painter has declined to run, and General Foster has the field to himself.

He was fairly and legally elected to the present Congress, and was deprived of his seat by the combined efforts of Covode and Cessna. The people will see that he is sent back with such a majority as will bonestly and to the utmost farthing, and as soon as it can reasonably be done—to another the contest. General Foster is one of the ablest men in the State, and true as steel. He is just such a man as should represent every Democratic district in Congress.
