This valuable Family Medicine has been widely and fa-vorably known in our own and foreign countries, up-wards of THIRTY YEARS.

It has lost none of its good name by reposited trials, but continues to occupy a prominent position in every family medicine chest,

It is an External and Internal Romedy. For Semmer Complaint, or any other form of bowel disease in child ren or adults, it is an almost certain cure, and has without doubt been more successful in curing its various kinds of CHOLERA than day other known remedy, or the most skillful physician. In India, Africa and China, where this dreading disease is more or less prevalent, the Pain Killer is con-idered by the natives as well as European, residents by those climates, a sure romedy; and whife it is a most efficient remedy for pain, it is a perfectly sein endichneiven in unskillful hands.
