The Montrose Democrat.

R. B. HAWLEY, EDITOR.

MONTBOSE, PERN'A:

WEDNESDAY, NOV. 16, 1870.

ALL RIGHT

THAT "DEMOCRATIC EARTH-QUAKE!"

DEMOCRATIC GAINS IN ALL THE STATES.

WHITE MEN MUST RULE AMER-ICA.

We are prepared to report as we anticipated that a terrifying shock was experienced by the trembling denizeus of the Radical harem on Tuesday the 8th, thro'out the length and breadth of eighteen The Radical press will be obliged to ciph-States, varying of course in its intensity or by Daboll's rule of "double position" from natural causes.

NEW YORK.

The Empire State again declares for The following is the result of Democratic "ciphering," which the official returns the pure principles of Democracy, by rewill not vary but little, and undoubtedly electing Gov. Hoffman by a majority of 35,000, and a Democratic Legislature to will increase, in the States that voted on assist him. New York city, which, like | Tuesday the 8th : Philadelphia, was insulted by the pres-New York..... ence of Federal soldiers, nnder the flimsy New Jersey..... pretext of preventing frand, has given the Virginia.... administration a marked rebuke, by giv-ing 52,089 majority for Hoffman, electing Michigan the whole city and county ticket, and Illinois..... Wisconsin..... Democratic Congressmen in all the dis-Missouri.... tricts. There is a gain of from three to labama..... five Congressmen in the State. This Arkansas..... must declare that the old Empire State Florida.... will stand firmly upon a Democratic basis, invulnerable alike by Federal bullets or black and Radical votes. Hoffman's majority in 1868 was only 27.946, showing a good increase in his majority this year. MASSACHUSETTS.

Even in this State where Radical monthe place it can be found. strosities have been born and reared to the destruction almost of every appearance of Constitutional liberty, the walls of shock produced by the great power of to 19 and it will undoubtedly be less compulsory assessment would be a politiin 1869 was 23,405. At this time the stead substituted, military power and of many times the amount of money they cal friends cannot hurrah much at the re- the people. Can our Republican friends vant. sult in the old Bay State. [cipher out the cause?

The Resignation of Secretary Cox. cepted this resignation upon the face of Radical Ciphering It is amusing to see the Radical press General Jacob D. Cox, late Secretary of cipher on the elections this fall, and encipher on the elections this fall, and en-dcaror to keep up the drooping spirits of to make public the correspondence be-any Cabinet minister who was in favor of their party, by promulgating very ab- tween himself and President Grant, it. struse and intricate mathematical prob- touching the former's resignation of his lems, so intricate that no one can com- place in the Cabinet. The revelations prehend them. They say the "Radical made by this correspondence are truly most extraordinary in their character, and rote was not out, it never is on congress, show beyond cavil that the administra- he was an honest may. This most imbebut the Democratic vote was. All we tion is in the hands of the most reckless, have got to do is to get the vote out in unscrupulous and desperate men that'evtainly a very sage conclusion. There is one State that has voted where the Radi-cause of his practical array of the trust reposed in him, is made the upon the completion of the Array of the trust reposed in him, is made the upon the completion of the Array of the trust reposed in him, is made the upon the completion of the Array of the trust reposed in him, is made the upon the completion of the Array of the trust reposed in him, is made the upon the completion of the Array of the trust reposed in him is made the upon the completion of the Array of the trust reposed in him is made the upon the completion of the Array of the trust reposed in him is made the upon the completion of the Array of the trust reposed in him is the trust reposed in him is the upon the completion of the Array of the trust reposed in him is the trust reposed in him is the upon the completion of the Array of the trust reposed in him is the upon the completion of the Array of the trust reposed in him is the upon the completion of the Array of the trust reposed in the upon the completion of the Array of the trust reposed in the upon the completion of the trust reposed in the upon the completion of the Array of the trust reposed in the upon the completion of the trust reposed in the upon the completion of the trust reposed in the upon the completion of the trust reposed in the upon the trust re

cal vote was out this fall, and the only councils of the government. one that gives a Radical triumph, and ored citizen, while President Grant rethat is in South Carolina. We wonder tains his position a disgraced Chief Magthat our cotemparary of the Montrose listrate, and at his present rate of descent, "Republican" does not give the cheering will, in less than a year, be even beneath could not even accept the Secretary's re-news to his readers. It would be of more the contempt of the sycophants who now signation without tendering him a vulnews to his readers. It would be of more the contempt of the sycophants who now interest perhaps than "earthquakes" just "bend the pregnant hinges of the knee. That thrift may follow fawning." now. We propose to deal in facts hence Iu speaking of the causes that led to will not attempt to suppress it or take his resignation, General Cox says: "My any undue advantage of our opponents. views of the necessity of reforming the By the persuasive application of Grant's civil service have brought me more or less in collision with the plans of our act-Marines" sent to intimidate white ive political managers, and my sense of roters from going to the polls, a duty has obliged me to oppose some of large portion of whom refused to their methods of action through the dehave any thing to do with the election, partment. Another Democratic Congressman in Indiana

A re-count of the vote in one of the precincts of the 14th Congressional Disrict in Indiana, made in the presence of the Republican Inspector and Township Frustees, by two Democrats and two Republicans, elects Gooding, the Democrat-

King William was crowned on the 6th of October, 1861. In an address delivered on the 15th he said : "The rulers of Prussia receive their crown from God. To-morrow, therefore, I shall take the crown from the Lord,s table and place it on my head, This is the meaning of the expression "King' by the Grace of God, and therein lies the sanctity of the crown which is inviolable." At the appointed time the King placed the "golden round
