A GREAT MEDICAL DISCOVERY About 10 o'clock, a. m., Nov. 12th, the good From a record kept at the Pennsylvania The co-partnership heretofore existing be PETERSON'S MAGAZINE for Detember is on our table in advance. It is unusually splendid even for "Peterson." It has two superb steel plates, i a mammoth colored fishion plate, a costly col-ored Berlin pattern, and more than fifty wood engravings. It will give, in 1871, one thousand pages of reading, 14 steel engravings, 12 double-size colored steel fashion plates, 24 pages of music, and about 900 wood engravings. Anoth-er icading merit of this Ann S. Stephens, Frank Lee Benedict, and others of the best writers, contribute to it exclusively. In 1871 here will be given five copyright novelets, besides about one hundred shorter spories.
