Dr. C. F. BROWN'S YOUNG AMERICAN

LINIMENT

In offering this Liniment to the public, as we do in full confidence, that it must supercede all others now in use, as an internal remedy, for the cure of all diseases in the reach of that class of medicines, we can safely assert, without the least fear of contradiction, that it stands unrivaled in the list of medical compounds externally applied for the cure of disease. Feeling therefore that it is unnecessary to puff a remedy so eminently wonderful in its effects, to mysteriously intallible in its powers of relief, caucing the deaf to hear, the blind to see, the nervous, drawn and crippled rheumatte to walk erect and rejoica again in the power and vigor of manhood, his preparation is offered to the public on its own merits, and chains no volcanic origin or essential oils of the Arabia and events; but on the contrary is what its imports, and is a rare combination of the powers of North American products.

NEW YORK, Dec. 14, 1870. This notice is to inform all deviers in proprietary medicines, that we have established a Depot in Susquebanns county at Moutrosé. Pa., for the sale of Dr. C. F. Brown's Young American Liniment, and that Mr. A. BALDWIN is our angels for that purpose.
