COUGH IN HORSES.—A cough is rather a symptom than a disease. It is often caused by the irritability of the air passages, occasioned by previous disease. A chronic cough in a horse is often occasioned by indiscretion in the treatment of influenza, distemper, and diseased respiratory apparatus. It is also one of the effects of liver disease, and sometimes of worms. Too much dry fodder, especially chaff, often aggravates a cough. Carrots chaff, often aggravates a cough. Carrots and other roots and green feed may be advantageously used. Give your horse a warm stall, with bedding a foot deep, with moist cut feed, a little laxative medicine, and not much work.

For Inflammantery and Chronic Rheamnitism and Gout, Dyspepsin, or Indigestion, Billous, Remittent and intermittent Fovern Disconses of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most uncersain. DYSPEPSIA OIL INDIGESTION, Ifted acceptance of the Heart, Infammation, of the Stomach, Bat test in the Month, Billous Attacks, Perjutation of the Heart, Infammation, of Dyspepsia.

They invigorate the Stomach and stimulate the torpiditive and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Texter, Sait Buene, Blotches, Spots, Pimples, Purtules, Bolis, Carbonnels, Bling, Worms, Scald-diffed, Fore Eyes, Erystp-

Cleanse the Vitinica Blood whenever you find its impurities bursting brough the skin frimples. Fruptions or Sores; cleanse it when you find it obstructed and singgish in the veins; cleanse it when it is foul, and your feelings will tell you when. Eeep the blood pure and the health of the system will follow.

PIN, TAPE and other WOREMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle, printed in four larguages—English, derman, Fruch and Spanish.
