Coleman afterwards became a noted divine.

Penn's charter was dated March 4th It was just what I wanted, and about 10 o'clock I call at the place above named, 1661, and his first colony comprised fiv hundred souls.

The Greeks and Romans had no standing armies in times of peace. In time of war every citizen was a soldier.

The Romans lay on concles at their meals resting on their left and eating with the right hand. The sexes eat separately. William the Conqueror was decended from Rollo, the Danish pirate, in the sev-

enth degree. Fahrenheit, who invented the thermometer in 1720, was a Dantzic merchant

The report of a gun is heard before the word "fire. Echoes cannot be heard in a less dis-

all the last day's proceedings that con-cerned himself offering any pecuniary tance than forty-seven feet. To distin-guish sylables, it requires one hundred assistance he might permit me to render. and sixty-one feet for each sylable. After some urging on my part, he ac-cepted, and grasping my hand, thanked me again for saving his child, saying A bell in water produces a sound like two knives struck together.

In the Arctic regions you can converse a mile distant. The crier's "Oh yes!" is a corruption

Heaven would repay me. And it has, most munificently; for not six months passed ere Maggie Lancey possessed the solitaire which Grace Elof French " Oyze" to listen. Magna Charter was a charter extending more had worn so proundly and falsely. in have secured the greatest treasure earth can give—a woman who "can bear all things, so long as love is left." Now two hazel eyes are peeping over tending to the people in a bill of rights. tending to the people in a bill of rights. This provides that fines and amercoments shall pever destroy a man and saves a shall pever destroy a man and saves a with all the ends of life unaccomplished. This provides that fines and amercements my shoulder, while a happy voice exfreeholder's estate, a merchant's goods, a workman's tools, a scholar's books, &c. "Why, George, you foolish old darling, no one will be interested in that but your-

The first European settlement was made in New York, in 1609, in Virginia, adding someting to its deather and its progress.—Herald of Health. 1607, and in Massachusetts in 1620.

-The Mother's Friend says "never re-proven child harshly for chewing, smoking put into King s Chapel in 1731, but so or swearing." No, never reprove him great was the prejudice against it that for harshly. The only way to cure him is to seven months it stood unpacked in the lady expressed her opinion of it by saying. "It's a pretty box of whistles, but an aw-
