On Wednesday, August 2d, about half-past one o'clock, my house was discovered to be on fire, by one of my neighbors, who immediately gare the alarm, and hastened to the fire to ren-der assistance, with his force of four hired men. Water being very handy, and plenty of help arriving from the other neighbors, we succeed-ed in staying the flames, after burning nearly all the north side of the roof, and a portion of the south side, reaching down through the ceiling of the second story, causing serious damage to my house and a portion of my furniture. I at once notified the agent, A. W. Stiles, of New Milford, with whom I was insured, in the "Old Milford, with whom I was insured, in the "Old Cleveland Insurance Company." He at once came and examined the loss and adjusted the same, perfectly satisfactory, I receiving my money in one week. Such promptness is very rarely met with, and I would cheerfully recommend all who have property to insure, to give him a call before looking elsewhere, as you will be sure to meet with prompt and satisfactory adjustment.
