Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this *Sarsaparilla* is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this *SARSAPARILLA: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears*, and other eruptions or visible forms of *Scrofulous* disease. Also in the more concealed forms, as *Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia*, and the various *Ulcerous* affections of the muscular and nervous systems.

Syphilis or *Venereal* and *Mercurial Diseases* are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. *Leucorrhœa* or *Whites, Uterine Ulcerations*, and *Female Diseases*, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. *Rheumatism* and *Gout*, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also *Liver Complaints, Torpidity, Congestion* or *Inflammation of the Liver*, and *Jaundice*, when arising, as they often do, from the rankling poisons in the blood. This *SARSAPARILLA* is a great restorer for the strength and vigor of the system. Those who are *Languid* and *Listless, Despondent, Sleepless*, and troubled with *Nervous Apprehensions* or *Fears*, or any of the affections symptomatic of *Weakness*, will find immediate relief and convincing evidence of its restorative power upon trial.

Dr C. F. BROWN'S

YOUNG AMERICAN

LINIMENT

In offering this Liniment to the public, as we do in full confidence, that it must supercede all others now in use, as an internal remedy, for the cure of all diseases in the reach of that class of medicines, we can safely assert, without the least fear of contradiction, that it stands unrivaled in the list of medical compounds externally applied for the cure of disease. Feeling therefore that it is unnecessary to puff a remedy so eminently wonderful in its effects, so mysteriously infallible in its powers of relief, causing the deaf to hear, the blind to see, the nervous, drawn and crippled rheumatic to walk erect and rejoice again in the power and vigor of manhood, this preparation is offered to the public on its own merits, and claims no volcanic origin or essential oils of the Arabian deserts, but on the contrary is what its imports, and is a rare combination of the powers of North American products.

NEW YORK, Dec. 14, 1870.

This notice is to inform all dealers in proprietary medicines, that we have established a Depot in Susquehanna county at Montrose, Pa., for the sale of Dr. C. F. Brown's Young American Liniment, and that Mr. A. BALDWIN is our agent for that purpose.

The "PAIN KILLER" may justly be styled the great medicine of the world, for it has not been for the glass into which it has not found its way, and been largely used and highly prized. Moreover, there is no clime to which it has not proved to be well adapted for the cure of a considerable variety of diseases. It is a speedy and safe remedy for burns, scalds cuts, bruises, wounds and various other injuries as well as for dysentery, diarrhœa, and bowel complaints generally. It is admirably situated for every race of men on the face of the habitable globe.

It is a very significant fact, that notwithstanding the long period of years that the "Pain Killer" has been before the world it has never lost one whit of its popularity, but on the contrary, the call for it has steadily increased from its first discovery, and to no previous time has the demand for it been so great, or the quantity made been so large, as it is to-day.

Another significant fact is, that nowhere has the Pain Killer ever been in higher repute, or been more generally used by families and individuals, than it has been here at home, where it was first discovered and introduced. That the Pain Killer will continue to be, what we have styled it, THE GREAT MEDICINE OF THE WORLD, there cannot be the shadow of a doubt.—*Providence Advertiser.*
