Manhood: How Lost, How Restored.

Just published, a new edition of Dr. Culverwell's Celebrated Essay on the *radical cure* (without medicine) of Spermatorrhœa, or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc.; also CONSUMPTION, EPILEPSY, and FITS, induced by self-indulgence or sexual extravagance.

☞ Price, in a sealed envelope, only 6 cents.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife—pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and *radically*.

Sent, under seal, in a plain envelope, to any address, *postpaid* on receipt of six cents, or two postage stamps.

"PAIN KILLER" may justly be styled the great medicine of this world, for there is no region of the globe into which it has not found its way, and been largely used and highly prized. Moreover, there is no clime to which it has not proved to be well adapted for the cure of its many trouble variety of diseases; it is a speedy and safe remedy for burns, scalds, cuts, bruises, wounds and various other injuries, as well as for dysentery, diarrhœa, and bowel complaints generally. It is admirably situated for every race of men on the face of the globe.

It is a very significant fact, that notwithstanding the long period of years that the "Pain Killer" has been before the world, it has never lost one whit of its popularity, but on the contrary, the call for it has steadily increased from its first discovery, and to no previous time has the demand for it been so great, or the quantity made been so large, as it is to-day.

Another significant fact is, that nowhere has the Pain Killer ever been in higher repute, or been more generally used by families and individuals, than it has been here at home, where it was first discovered and introduced. That the Pain Killer will continue to be, what we have styled it, THE GREAT MEDICINE OF THE WORLD, there cannot be the shadow of a doubt. *Providence Advertiser.*

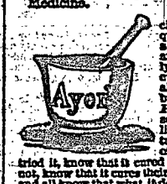
Ayer's Cathartic Pills,

For all the purposes of a Laxative Medicine.



Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative *Pill.* The obvious reasons is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel nor any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia** or **Indigestion, Listlessness, Languor and Loss of Appetite**, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers**, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery or Diarrhœa**, but one mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the side, Back and Loins**, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy** and **Dropsical Swellings** they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression** a large dose should be taken as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

Dr C. F. BROWN'S

YOUNG AMERICAN

LINIMENT

In offering this Liniment to the public, as we do in full confidence, that it must supercede all others now in use, as an internal remedy, for the cure of all diseases in the reach of that class of medicines, we can safely assert, without the least fear of contradiction, that it stands unrivaled in the list of medical compounds externally applied for the cure of disease. Feeling therefore that it is unnecessary to puff a remedy so eminently wonderful in its effects, so mysteriously infallible in its powers of relief, causing the deaf to hear, the blind to see, the nervous, disheartened crippled rheumatic to walk erect and rejoice again in the power and vigor of manhood, this preparation is offered to the public on its own merits, and claims no volcanic origin or essential oils of the Arabian deserts; but on the contrary is what its imports, and is a rare combination of the powers of North American products.

These pills are the most delightfully pleasant purgative, superseding castor oil, salts, magnesia, etc. There is nothing more acceptable to the stomach. They give tone, and cause neither nausea nor griping pains. They are composed of the finest ingredients. After a few days' use of them, such an invigoration of the entire system takes place as to appear miraculous, to the weak and enervated, whether arising from imprudence or disease. H. T. Helmbold's Compound Fluid Extract Catawba Grape Pills are not sugar coated, from the fact that sugar coated Pills do not dissolve, but pass through the stomach without dissolving, consequently do not produce the desired effect. THE CATAWBA GRAPE PILLS, being pleasant in taste and odor, do not necessitate their being sugar coated. PRICE FIFTY CENTS PERBOX.

O

H. T. HELMBOLD'S EXTRACT BUCHU

Cures diseases arising from imprudence, habits of dissipation, etc., in all their stages, at little expense, little or no change in diet, no inconvenience, and no exposure. It causes a frequent desire, and gives strength to urinate, thereby removing obstructions, preventing and curing strictures of the Urethra, allaying pain and inflammation so frequent in this class of disease, and expelling all poisonous matter.

Thousands who have been the victims of incompetent persons, and who have paid heavy fees to be cured in a short time, have found they have been deceived, and that the "poison" has, by the use of "powerful as ringents," been dried up in the system, to break out in a more aggravated form, and perhaps after marriage.

USE HELMBOLD'S EXTRACT BUCHU for all affections and diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating, and no matter of how long standing. Price, One Dollar and Fifty Cents per Bottle.

L
