## Spanish Bull-Fights.

We might almost say that nowadays, We might almost say that nowadays, the one entirely distinctive feature of Spanish life left is the bull-fight. And this a very significant fact. It shows that the essential Spanish character still re-mains unchanged, however much the nov-eltes of external speculation and exter-nal habits may play upon and modify the country. Nay, the barbarism of the lik-tional story has been adjurted to the new tional sport has been adupted to the new world of railways in a business like why ;
