### WEDNESDAY, MARCH 27, 1872

GEN. LEE AND THE REBELLION. We find in the last Montrose Republican an article containing a enlogy on the of facts, to subsequently come down upon lar for their bonds, upon which six per military career and private character of us with his universal argument, "you lie, cent. interest in gold is paid by the workthe late Gen. R. E. Lee, taken from Blackwood's Magazine, a British periodical. What this has to do with the national politics of America at the present time, or nounced Greeley, must not use his argu- der the bondholders like an Administraa dead General has to do with our nation- Republican for some time in this directaxpayers? al politics. The article closes in the following assumed patriotic dissertation, af-

can party is our only Saviour.

er to tyrranize over and plunder the na-cast thronghout the country under official

and the sword, to overthrow democratic institutions and erect upon their rains the most soulless of all tyrants, a money despotism.

# Cannot Vote.

Warned by late occurrences in New we copy the following form the Manchester sumptuous fare.

is sparring the Administration to vast ef- polls and vate them." fort. The prospect is highly encouraging for the Democracy, and with the strong ticket, the unexceptionable platform, and the thorough harmony of their organiza-

### "Radicals Dumfounded,"

Our readers will remember that in our issue of the 22d of November last we spoke of the conflict of Secretary Boutwell's laterent with the deceptive decrease of doubt and trial.—X. Y. Times. tion, lest their afflictions should be greatter than they could bear. The following ter asserting that Grant and the Republiis divested of all "Democratic lie" as it is

tion? Would this be more marvelous than sanction. It will be teen by the above many things that they have done? Their figures that the debt statement for 1869 is infamous "expediency" would place Jeff. represented in one report to be \$68,000,infamous "expediency" would place Jeff.

Davis on their Presidential ticket if it were considered their ultimatum. No man of reading and sense can come to any other conclusion by scanning their course in the ment with the official report of Secretary past.

The w York Tribune a new era is about to occur in politics. He says: "The important for important for interesting the same of the same occur in politics. He says: "The important for its occur in politics. He says: "The important fact is announced, from a source that the forize the appointment of Shipping Commissioners was postponed for two weeks. Summer has consented to attend the Cincipal Company was reported, and explained cinnati Couvention and preside over its by Messrs. Lynch, and Ward. Messrs. conclusion by scanning their course in the past.

The final sentence in this article "That if we hold with 'Old Hickory,' that 'the Union must and shall be preserved,' let us not entrust its preservation in the hands of the past with the most here field not be preserved, it the most here field not be ment with the official report of Secretary chase, Fessenden and McCulloch for the same years, there will be found an aggretate discrepancy of \$258,528,476. Has there here any "doctoring" of these accounts, or have our treasury officials been not entrust its preservation in the hands with the most here field not have been any "doctoring" of these accounts, or have our treasury officials been taking lessons from some large corporation."

Convention."

A bill to incorporate the Asiatic Comerment Mr. Charles A bill to incorporate Mr. Charles A bill to incorporate Mr of its enemies," is the most bare-faced po-litical bombast in favor of Radicalism, but the art of mystification? Again, if we compare the annual reports of the Secre-tary and the Register, there will be found it is the most damning. We must not the monstrons discrepancy of \$350,929,"avoid a conflict," but the people must 483. They have never agreed during the wage one at the ballot-box in Noyember | Course of these ten years, and the differwage one at the ballot-box in Noyember ence swells from \$250,000 in 1861 to nearnext that shall oust these "enemies" of ly \$100,000,000 in 1870, and yet this violiberty and democracy. It will not do to lent conflict between these officials sudlonger entrust power in the hands of a dealy disappears in the report of 1871, military satrap backed by a venal Con-gress, who is fast centralizing the purse the first time in ten years they concur precisely to a cent. It would be satisfac-
