DEATH OF WH. H. SEWARD.

Hon. Wm. H. Seward, died at his residence in Auburn, N. Y., last Thursday afternoon. Mr. Seward's health has been failing for some time, and he, himself, was nware of the rapid declination of his his journey around the world he has confined himself principally to his residence, where he engaged himself in writing memories of his busy and eventful life, as well as a narrative of his recent tour. Latterly his system became so weakened that he became bedfast, and, gradually sinking, he breathed his last at twenty minutes past three o'clock Thursday af ternoon.

Hon. William H. Seward was born in Florida, Orange county, New York, May 16, 1801, and was the son of Judge Sam-

enough to impose a wholesome restraint go into the contest under a Damocratic leader like Mr. Hendricks or Judge Church on the party in power. Grant's Administration could not have been so during and profligate if the two great political barties had been fairly nominated at Bultimore, we cand the party the same allegiance as if it had heeded our advice; and every good Denjoerat will be as true to him to the end of the canayas as all Democratic will be as true to him to the end of the canayas as all Democratic will have been to Mr. Hendricks, or any other tried Democratic leader.

The Laberal Republicans have acted to wards us, since the Baltimore Canva have acted to wards us, since the Baltimore Canva and he a missing the profession. In March, with such a cand honor; and k a missing the party was again parties had been fairly nominated at Bultimore with since the Baltimore can be a condensate with the same office in 1839, he was elected to the State depressing as an October chill in not as a forter four years, and in 1834 he was nominated on the Whig ticket for Governments, and profigate if the two great political parties had been for the was again parties had been fairly nominated at Bultimore, we can defeated. He was again parties had been fairly it is character. It is this concentrated establing the same office in 1839, burning his tachman and true patriot ought to moral greed, of unight, of unintellectual and moral greed, of unight, worldly, personal Administration in fear and enforce a just in moral greed, of uligar, worldly, personal another appears to the prosecution of internal improvements, and to reforming the public sympathics and refining tastes, and ennoting the provements and to the ergonal parties had been fairly into the same office in 1839 he was elected to the State of Governom for the state of on the State of Governom for four

ward became the acknowledge leader of the new Republican party, and for many years he was the formost man in its ranks. On the 25th of October, 1858, at Rochester, New York, he delivered a speech, in which he laid down so thoroughly and clearly the principles involved in the "irrepressible conflict" between freedom and shavery, that it became the key-note to that conflict until the war of words was ended by an appeal to the sword. When the National Republican Correction assembled at Chicago in May, 1860, he was

Admiral was converted into a Bastile of the Fed-willows carried his prisoners to New York, whence they were removed to Fort Warren, in the harbor of Boston, by or-Warren, by or-Warren, in the harbor of Boston, by or-Warren, by or

the greatest credit upon his diplomatic career was the French evacuation of Mexico, which was largely brought out by his efforts.

1st of October he left on a visit to Mexice, at the capitol of which nation he was received with the greatest enthusiasm by vana, arriving in New York city in March, 1870, where he was tendered a formal re-

Francisco, Japan, China, British India, Turkey, and several of the European States, and was everywhere the recipient of the highest honors as an entinent representative of the Great Republic, and as a tribute to his world wide fame as a

The Quiet Election.

It has been generally said that the late

regular army came in to play their part trees, manages, a successive their involvement of the State. In London all public houses must be their machinery to perfection, and it works smoothly. It is as if some beginner in crime should first knock people down to rob them, but the hours for opening on Sunday differ a with a dexterity that left no occasion for little from London, but the difference is with a dexterity that left no occasion for little from London, but the difference is into service. Under the Enforcement act, hour. In all towns of less than 2,500 in the United States Marshals appoints any inshitants all public houses must be closumber of Depaty Marshals. Himself a violent partizan and Radical office-holder no deviation. Greater powers are given he picks out the most violent and desperate partizan be can find, to do his political work for him. We must suppose that ate partizan be can flud, to do his politi- ity. The sale of liquors to children un-cal work for him. We must suppose that der sixteen years of age entails a penalty cal work for him. We must suppose that even the Republican Congressmen, when they vested these enormous powers in Marshals and Deputy Marshals, must have meant to level them at the Southern-States, as the Ku Klux fables conduct in his house is liable to a fine of front even them. Every State authority and State official is subjected to such chartered libertiness as played their desperate game in this city on Tuesday. They can summarily arrest anybody, and it appears confine tim anywhere fill the Deputy Marshal ought to bring an arrest-ed party instantly before a United States Court or Commissioner. Judge Strong's advent to this city, for the very purpose of exercising his judicial functions at-content of the very purpose of exercising his judicial functions at-of exercising his judicial functions at-

papers. This was part of the game. The ground was laid for it in the forgery of the believe are authorized to obtain sample the letter of Mr. Randall to Colonel Molicular. That was to give the cue to Radical election officers. All naturalization papers in the lands of Democratic or Reform voters were to be treated as fraudulent. No sooner had the Radical Inspector exhibited his contempt for the seal of the court on Mr. Farrel's papers, than he was seized by a Deputy Marshal. than he was seized by a Deputy Marshal, and dragged away to the police station or more be allowed to dispose of, or bogus and dragged away to the police station or a butcher should be suffered on St. John's street above Buttonwood, to retail foul meat, or a baker unhealthy. The victim being an aged and well-known bread. On the whole the law is satisfacted in the state of the work of the broad and statesmanlike views, and cal-culated to advance his reputation as a character and pecuniary means, offered to give bail for the accused. He went first lative to throwing out of Democratic votes, has already been realized in North Carolina elections.

Greeley and Grant.

"They are the reverse of each other in personal qualities, and in presence, bearing, and demeanor. Mr. Greeley is free and cast-spoken, carnest and positive. General Grant is reverved and reticent.

Greeley and will has been realized in North Carolina elections.

Warren, in the harbor of Boston, by order of Secretary Seward.

Finding a war with Great Britain the case of the inevitable result of a persistance in holds ing these persons, and justly foreseeing its disastrous effect to the cause of the nation at such a time, although the general drift of popular sentiment in the latted States was at first in favor of londing on to the four rebel diplomats, General Grant is reverved and reticent.

Warren, in the harbor of Boston, by order of Secretary Seward.

Hartranft. This is but one of many class to communication in our paper to deady, relates one of them circumstantially. Now, if there is any law left among in the tially. Now, if there is any law left among in the resident of the Erie road, Mr. Wate to class. A communication in our paper to class. A communication in our paper to class. A communication in our paper to class, we call on all whose duty or holding on to the four rebel diplomats, secretary Seward contrived; by his adroities, to eatisfy the sense of national honor, and, by the course of his argument, argument in a green placed the British Geogramment in a green placed the Briti or, and, by the Course of the British Government in a not know that anything we could say pay.

There is one point connected with the hyppiliting position on the question of would heighten the indignation of every. even placed the British stovernment in a not know may any ang a the building position on the question of would heighten the indignation of every proposed change upon which the public international obligations to respect the true American citizen at the scheme to proposed change upon which the public rule American citizen at the scheme to proposed change upon which the public rule and a military is especially interested, and that is the re-

SENATOR SUNNER.-Mr. Summer has ger exists. On curves the broad gange is y his efforts.

Under President Johnson's administraand enthusiastically given him by the er the guage on curves the safer the travtion he commenced the agitation of the Liberals and Democrats of Massachusetts, el; the broader the guage on a curve, the FARONIEZ HOZE A HORDORY Seed and Description is allowed to the compact of the com tion he commenced the agitation of the Alabama claims question, and secured the purchase of Alaska.

The attempted assassination of Mr. Seward on the ever memorable night of April 15 is still a vivid recollection of the American people. On his recovery he was continued at the head of President Johnson's administration; and was an arident supporter of his policy of reconstruction.

Ale attempted assassination of Mr. Smalley was painfully struck with the contrast between his condition then and the year before, and writes that the head of President Johnson's administration; and was an arident supporter of his policy of reconstruction.

Ale attempted assassination of Mr. Smalley was painfully struck with the contrast between his condition then and the year before, and writes that the physician in attendance upon Mr. Smilley was generally, as to the safety of the broad gauge. Now we have very sharp head of physician in attendance upon Mr. Smilley was generally, as to the safety of the broad gauge. Now we have very sharp head of physician in attendance upon Mr. Smilley was generally, as to the safety of the broader the gauge on a curve, the more the two wheels go over unequal distances. The broader the gauge on the two wheels go over unequal more the two wheels go over unequal more the two wheels go over unequal distances. The broader the gauge on a curve, the more the two wheels go over unequal to the head of President in improved health; but nor the two wheels go over unequal to the head of President in the head of the h

AN ENGLISH LICENSE LAW. Among the noticeable laws passed by the late English Parliament was one erboth the government and the people. He returned by way of Very Cruz and H1 remarked "constitutes a sensible improvment on the existing law" on that subjec The debate on this act took a wide range physical powers. His mind, however, was ception by the city government.

In August, 1870, Mr. Seward, again guards necessary to bound and circum; the first phore until a very short period before his death. Since his return from his internal account the model has become stringent rules to almost free trade, and vast amount of facts was developed bearing upon the subject. After the whola mutter had been carefully and exhaustive ly examined from all points of view, the Licensing Law of 1872 was passed, which,

among others, has the following require In London all public houses must be closed at 12 o'clock, those in the country at 11. There is, however, a discretionar, election was a quiet one. This was no power given to magnitudes and police wholesale driving back of voters from authorities to permit later hours for the police. Neither the mariners from the accommodation of persons attending the second commodation of persons attending the second commodation.

> slight. The licensing country magistrates have the power of slightly modifying the hours, so that a triveler may find one public house in a town open as late as II on a Sanday night, but not after that hour. In all towns of less than 2,500 in.

it appears, confine him anywhere till the new feature of the act is this: All of-election is over. In theory, we suppose, a fences are endorsed on the back of the li-Deputy Marshal ought to bring an arrest-censes, end a certain number of offences.

Another offence to which heavy penal; ties are affixed, is the adulteration and sale the papers. Judge McKenna was here; Judge Cadwalder lives here; there are several United States Commissioners, and ons legal reports showed that a Commissioner was sitting all day at the United States Court-house as a Committing Magistrate. But a hearing and discharge or leave to half was not the game, of the leave to a penalty of the leave to a penalty

to kidning voters and step them shut up first labor; and for each subsequent of till the election was over. We never like fence a penalty of £100, or imprisonment to deal in vague assertions. We will specify a case stated to us by a gentleman of for three months, and to be idisqualised for a period of from two to ten years, and lingh respectibility. In the Eleventh ward, Mr. Patrick Farrel, a citizen of Irisk birth, but who has been not less than thirty and is convicted of any of the above years a resident and voter in this city, was told he must show his naturalization papers. This was part of the game. The ground was laid for it in the forgery of the police are authorized to obtain same the enforcement of its provisions.

Narrow Gauge.

flag of neutral and friendly Powers in elect a military Governor and a military is especially interested, and that is the returne of war.

Another achievement which reflected rights of freemen.—Philadelphia Age. that subject Mr. Watson says: "The narrow gauge is safer on a straight stretch -but there is not usually where the dan-
