THE DEMOCRAT.

E. B. HAWLEY & CO., Editors,

والمستحيق أمقارك بعبيه وتألف وبالمكالمستعطات Montrose, Wednesday, April 9, 1873.

THE prohibitory liquor claus was adoped by the Constitutional Convention, but since the popular vote upon the question it is proposed to revise it so as to prohibit spirituous liquors only.

SHAME ON SUCH ACTION .- The Presihimself and insulted the whole army by legislature. If the new constitution would a gallant soldier, and commissioned as a of the Governor, such a law as this would Lieutenant Colonel, and forced on Gen. prove salutary. Sheridan's staff as an Aid-de-Camp. To do this the gallant Lieut. Col. Forsythe. who fought through the whole war, and who bears honorable scars, had to be rereduced to his former rank and sent back to his regiment. This, we presume, ir Military Service Reform.

ANNUITY TO THE DISCOVERER OF PE. but he would have all inations and tribes petroleum oil in Pennsylvanin, an annuity not dumb, and all their inferests regulathis widow in case of his death. Mr. jurisdiction, There would then be no Drake, who is now living at South Beth. bickerings about forms of government nor in the oil region. It is a singular coin- them. No conflict of anthority could Litiz, Lancaster county, has become poor, dissensions would die in their birth, would and was recently voted annuity by Congress.

JAMES BROOKS, the one Democratic his principles of Universology adopted member of Congress who was compro- without salt by one who can prove such mised in the Credit Mobilier corruption, an important auxilary. When the main is said to be hopelessly ill. His indisposition dates from the time of the investigation of that wretched affair. But not one of the ten Radicals, who were equally asguilty as Brooks has manifested the slightest touch of remorse. Colfax, who time. sickened when he smoked a strong cigar, is bale and hearty, and goes junketing about South Bend with admiring and sympathizing, friends, bearing Grant's certificate of good character in his pocket. ing. The Evening Herald says the But who is there to mourn for James Treasury officials have been ready with Brooks? No one.

THE St. Louis Republican puts the matter squarely in the face, and to ask argument against the policy of the rail. | why the old time reported decrease is not road companies in regard to freights in a kept up? That much, if not all of this nut-shell, thus: If eighteen cents is a decrease was a frand and a blind, is now reasonable charge for transporting a hun- quite apparent. We all member dur Grod pounds a distance of 468 miles by | ing the lively times of "last year, when railroad, is not thirty cents, for carrying the Groton codfish and calico merchant that much freight a distance of 98 miles; | was isshing groonbacks from the Treasabove all reason? Yet that is what the ury to the tune of \$1,000,000 at a pop railroads are doing. The cost on car- "to move the crops," and carry the Pa. ringe is not affected by distances, but by the proximity of other lines of trans-partation. To the uninitiated it is a profound mystery how a cur had af profound mystery how a car load of was reduced, all the way through the year freight can be hauled 468 miles for half was a bewildering and delightful surprise the money it costs to transport it over -to the spoonies. Even the London the same track 60 miles. This is one of editors were astonished at the wonderthe hidden things which the people at fully elastic powers and fathomless rethis time greatly desire to look into.

GOLD on Saturday is reported 1.185. which is but falsely representing the fact that the product of labor, both agricul tural and mechanical, has decreased that .smount to fill the coffers of the national money gamblera
