The Legislature of Michigan contuing (two undershirts) from a car on the

WL were seized with consternation the week is the time when flowers and shrubbery usually for the circus came here, to see that the suffers from the depredation of vandals we puband enacted a law calculated to greatly benefit lish the law for the benefit of the despoilers: the people-so far as druggists compounds are concerned. It has provided that hereafter, "It shall be lawful for the trustees, directors or other officers of all organized cemeteries within druggists and doctors who fail to write or print Il rad of Pennsylvania. We were still furthwatchmen of their grounds as they may deem ing poison the most easily obtainable antidote expedient ; and such watchmen, and also all of for the same, shall be subject to a very severe From a Democratic paper at that, but it had their superintendents gardeners, and agents, sta- penalty. The object of the enactment is to pre tioned on such grounds, are hereby authorized vent the "excitement" which must always occur ⁶ chrones after twenty years' support in adver-¹⁵ to take and subscribe before any mayor or justice ¹⁵ to take and subscribe before any mayor or justice ¹⁵ is manager of the company, explained to us ¹⁵ reason. It was because it was evertised in ¹⁶ the part of the peace in the township where such cometer-¹⁶ is may be situated, an oath of office, similar to ¹⁶ the peace in the township where such cometer-¹⁶ is may be situated, an oath of office, similar to ¹⁶ the peace in the constable; and upon ¹⁶ the peace in the township where such cometer-¹⁶ is may be situated, an oath of office, similar to ¹⁶ the peace in the constable; and upon ¹⁶ the peace in the township where such cometer-¹⁶ areason. It was because it was evertised in ¹⁶ the peace in the township where such cometer-¹⁶ areason. It was because it was evertised in ¹⁶ the peace in the township where such cometer-¹⁶ areason. It was because it was evertised in ¹⁶ the peace in the township where such cometer-¹⁶ areason. It was because it was evertised in ¹⁶ The reason. It was because it was a vertised in the oash required by law of constables; and upon the taking of such oath, such watchmen, super-intendents, gardners, and agents shall have, ex-intendents, gardners, and agents shall have, ex-trise and possess all powers of police officers with of contrary, even as to circuses. We are the contrary even as to circuses. We are the contrary, even as to circuses. We are the contrary, even as to circuses. We are the contrary even as to circuses. The Michigan law of prevents the contrary even as the circus and the are the contrary events the circus and the contrary events and the contrary events and the contrary events the circus and the contrary events the contrary events the contrary events the contrary even to clear whether to attribute the unusual at-tendance to the power of the DZMOCRAT, as an ting the laws of this State in reference to the might be, but it is practical, however, and there

Auguste to the power of the DZMOCRAT, as an direction medium, or to the "nuisance" in the *Browkeas.* The editor sceme to think that be bound to "bark" at us, and every thing we so offending before a mayor or justice of the protection, caro and preservation of cemeteries, abund to "bark" at us, and every thing we so offending before a mayor or justice of the protection, caro and preservation of cemeteries, abund to "bark" at us, and every thing we so offending before a mayor or justice of the protection the within such township, to be dealt with has bark."

ness members of the Society was held at the sciousness by the loss of one. Yet the expresresidence of Mr. Robert Wallace, where the sion is always mild and prayerful, while the Bishop was introduced to them, and business blank eye balls are turned within for answer.--matters concerning the church were freely and To one who has looked upon the beautiful barn one of them fell, stopping them and they were impediately secured. With the exception and courtesy of Mr. Wallace, evening services ories. On that narrow stage of existence a cur-were held in Mechanic's Hall, and, after an elo-tain has tailen, hiding the footlights and the requent and practical discourse by the B shop on the words, "Who toucheth me." from St. Mark, 5th, 31st, the order of Confirmation was acmin-istered to eighteen persons. These, with these already members of the Episcopal Church, it is A new bed of iron ore, which seems to be of much to be hoped will form a permanent and to touch, and taste, and hearing, and perfume

changing a few words and encouraging all to be Kentucky, lately prepared for a stroke of blindfirm in their purpose of erecting a suitable place ness. Her physician made an examination of in which to worship their God publicly, exhort. her eyes, and discovered a fatal failing in the ing all to be faithful, bute us adien, leaving a optic nerve. The doctor felt it his duty to tell most favorable impression among all who had her that her cyesight could not last but a few days at the farthest, and total darkness might fall upon her at any moment. The world was fresh and young to her and the most delightful of its pictures were the faces of her two heantiful children. The mother returned to her bright passed a law requiring that physicians' and druggists formulas should be written in English. The measure met with popular indorsement, for the struct the amount of the structure of the structur The measure met with popular indorsement, for it struck the average mind that if a man; woman or child was to be killed or cured by drugs ed in their prettiest and brightest array. They were brought before her in a parlor where the light streamed and the mirrors glanced, and with it was meet that they should know the means carcely understood, the light faded out of the mother's eve. Who but the blind can realize the joy the picture of those bright faces as she sow them last will be to the mother's heart in

many a dark hour? Business Locals.
