tatesman, lichard Brinsley Sheridan, when lesse of old Crow street therer, Dublin, was the "manager" alloded to in the origin of the word "quiz." "The word "quiz." "The word "quiz." "The word "quiz." to poke fun at a person. was the coin reason would start again and grow inx age of a theatrical manager in Dublin, who, at a drinking party with his friends. to there and there coin a word which would be in all the monthe of all Doublin next day. The bat being taken and the party dispersed, the manager called up his call boys and runners, gave them prices of chalk, and ordered the true run all done growing for the season, and its: "Out at it may ager while the and there coin a word which would be in all the monthe of all Doublin next day. The bat being taken and the party dispersed, the manager called up his call boys and runners, gave them prices of chalk, and ordered them to run all done growing for the season, and its: "Out at it is will generally start again the runce in since the same for the season for the fuet, now for the theory in all respectable dictionaries. "The kang expression for "kicking the sore who, in England, a great while sore who, in England, a great while sore who, in England, a great while sore run, in the failed bots. Spruce, etc., second that hare a sorormethe faile boxekt," had its origin form one Bol-borch, etc. But even some of those will start agent while sore who, in England, a great while stor of ohom prize, 'engreens generally, as pince, hemokot, spruce, etc., second that hare a copions for the toxic of the toxic of the prize, some of those will start agent if the record at the word is nor subacket till he kicked the bucket from bucket till he kicked the bucket from bucket till he kicked the Catholic of Faran-dia the friends in England—'un bon pere.' "The word furmy,' meaning a full start again if cut soon after the bushers was in the recendant in England—'un bon pere.'

NET profits-A fisherman's

to the Pope when the Catholic religion was in the recendant in England—tan bon pere.' "To dann,' to press for money due, "To'dann,' to press for money due, "To'dann,' to press for money due, comes from one Joe Dunn, a famous baliff of Lincoln, in England, during the reign of Henry VII. He was so commonly successful in collecting money that when a man refused to pay, the creditor asked why he didn't Dunn him. "Humbug" is a corruption of the Ir-ish words 'uim bog,' pronounced com-brass, or worthless money, such as was made by James II at the Dublin mint— twenty shillings of which was worth only two pence sterling. At first applied to worthless coin the word became the gen-eral title of anything false or counter-feit. "The aign 'viz,' signifying to wit, or namely, is an abbreviation of 'videlicet;" but the thurd letter was not originally z; it was the mark used in medicine for a drachm, which in writing much resem-bles z, and in viz. was simply used as a mark or sign of abbreviation." drachm, which in writing much resembles z, and in viz. was simply used as a mark or sign of abbreviation."
