Notes About Town.

As the world goes, policy is the best honesty. THERE were patches of frost seen on Sunday morning last.

A young lady talking about wigs, said she had rather dye than wear one. Woman's giory is in her hair, but it is a good

plan to tie it up when cooking. Rev. J. M. STERRETT has relinquished th temporary rectorship of St. Paul's church.

THE fall term of the Graded School commenced on Monday last, with a large attendance. As Early Spring-Jumping out of hed at five o'clock in the morning, to take the train on the Montrose Railway.

At a meeting of the citizens of South Bridgewater. September 6th, it was unanimously agreed to call the station at the present termi ous of the Montrose Radway, Bridgewater.

ALICE -"Do you know, nocle, that that horrid Mr. Binks declares that you have taken to hard drinking!" Uncle George-"Not true,my dear-no! Never drank easier in my life."

WHEN you see a bare-headed man following a cow through the front gate, and filling the air with earden implements and probabity you may know that he wants a little more green corn

MR. BALDWIN, a son of Matthew Baldwin, of Bridgewater, left a tomato on our table, which 22 ounces. It is no amalgamated clus ter, but a single perfect shaped yellow tomato, of the finest quality of any we ever tasted. A NEIGHBORING editor, having heard that

sulphur in the socks will prevent cholera, has wormed a stick of brimstone out of a druggist, and now wants some one to loan him a pair of socks while he tries the thing. A LITTLE girl, (colored.) daughter of Obediah

Johnson, while standing near the fire on Saturday night last, got her clothes on fire and was hurned so badly before the flames could be exsingualied, that she died on Sunday morning. The gentleman who asserted that his friend

over epeced his mouth without putting his foot in it, being called upon to apologize, said he was very sorry, but when he made the assertion he did not see the size of his friend's foot.

Ar the annual election of the Fire Depart ment hald Tuesday exening, September 2d. E. C Fordham was elected Chief Enginer. J. R Raynsford, 1st Ass't; S. G. Pache, 2d Ass't; W. L Cox, Secretary; A. J. Brewster, Transurer.

THE Baptist Sabbath School pie-mic beld at Salt Springs, on Friday last, was largely attended, and they were favored remarkably with a pleasant day. Everything moved oil in an agreeable manner, and was greatly enjoyed by those in attendance.

THE Presbytery of Lackawanna will meet in The opening sermon will be presented on Monday evening, the 15th inst. This Presbytery has embraces the countles of Bradford, Susquehanas Wayne, Wyoming, Sullivan, and a part of

Ar a meeting last week of Rough & Ready Fire Company No. 1, the following officers were elected: Poreman, Daniel Sayre; 1st Ass't, F. G. Wonder; 2d Ass't, G. S. Baldwin; Beerela iry, E. C., Sherman; Treasurer, H. C. Jessap; Ist Pipeman, E. B. Pickering; 2d Pipeman, H. C. Dickinson; Wardens, Wm. H. Jessup, Amos Nichols, B. H. Mulford, Hugh Mitchell.

F. B. CHANDLER has commenced a stone walk in front of this residence, which overtops all others as far as it is finished. We learn that Mr. C. proposes to continuo as far as his money holds out. Such being the case, we think ther will be no lack of walk in that part of the town. He has a very large and fine corner lot which makes a walk the character of the one he is building, quite expensive. Mr. Beebe is laying the walk with stone from his quarry.

For towns must grow, and trade increase,

By nerve and enterprise.

And they who'd live must have the pluck To risk and advertise.

There are men in our town

Who do not advertise: Good customers go past their doors, The cheery cash likewise. And when they post their books at might They're the saddest men in town, And ever and a non they moan: "The place is going down?" Two Boys Drowned.

On last Wednesday afternoon, two boys named Eddie Whitney and Willie Walker, nged about ten years, while playing near Burnes's dam, on the Canawacta creek, at Lanesboro, Pa., were drowned. Screams were heard, when a crowd collected, the pond was drawn off, and the bodies recovered

Barn Burned.

A large barn belonging to Samuel Tewksbury of Auburn, this county, was totally distroyed by fire, together with its contents, connsurance. Mr. Tewksbury has a large stock on his hand and this misfortune leaves him without winter's feed. The fire occurred last Sunday night. How it originated is unknown.

The Reddington Question.

Our information as to the falsity of the reported robbery at Great Bend, of Geo. S. Reddingion, late Superintendent of the Delaware Divison of the Eric Railway, which we published a short time since, proves correct. He has been lischarged from the road, and was arrested at midnight on Monday of last week, at the Delaware House in Port Jervis, charged with derauding the company to the amount of \$3,500. The arrest of other Eric officials is also talked | Tinker, Principal, is to commence on Monday,

Family Meeting. The annual gathering of the Bailey family, was held at the house of B. W. Bailey, in Liberty, Susquehanna county, Pa., on Wednesday, September 8d, 1873. Fifty-tour of the family were present, comprising four generations. This family meeting was organized in 1856, making this its eighteenth session. This and all subsequent meetings passed off with an enjoyment rare to witness. Yours, D. LELAND BAILEY.

Liberty, Sept. 3d, 1973.

An Uniucky Friday.

A few years ago I made arrangements to go to mill and to the store, I bired a yoke of oxen of Mr. Zebe Bowell, who accompanied me, to take two thousand shingle and four bushels of were listened to with special interest. corn. When I had got about half of a mile, one ox got loose and ran away. I finally secur-N. E. Kennedy's store, and put my team in the that it was ever our pleasure to attend. shed. I traded out the value of my shingles, got a draw shave and some earthen ware, went o the shed, found four hogs at my grist. They he fell and hurt his hand badly, we left the load | sails.

on the lands of John Smith, on the 16th, 17th and 18th of September inst. Each soldier is expected to come provided with three days' rations the townships they have formed companies and will have a company mess.) All musicians are pleasure, expected to bring their tifes and drums. An organization for future reunions will be effected during the three days' encompment. It is to be hoped that all who have served in the Army or Navy will turn out and make the affair a suc-This is but a beginning, and each soldier will have to come prepared to do his share to-

different commanders, and in some cases served in separate divisions of the army; and in consequence many of them are personally strangers to one another. They will now have an opportunity to become acquainted, and to recallamid some of the paraphernalia of the camp, those stirring scenes and thrilling incidents in which they were once actors. In view of the glorious result of that memorable conflict in which they bore so honorable a part, we could pardon him who, on such an occasion, should imitate Alex-

And thrice he routed all his foes, and thrice he
slew the slain."

What I Found in the Old Chest.

"As I rummaged through the attic, Listening to the falling rain
As it pattered on the shingles
And against the window pane,
Peeping over boards and boxes
That with dust were thickly spread,
Saw I in the farthest corner"—

The very first article, which my prying eyes rested upon, was-a package of letters-tied the Presbyterian church in this place next week. lowed now. Just twenty-seren there were, in conversation, is the vestibule of a church, while

package aside I continued my search. Carefully folded and put by itself-was dress of buff silk-and when I shook from it undisturbed for years-I was indeed astonished such a dress! Ou! ye gods and little fishes!

upon a time. The waist was cut up in the back, half way to the neck, the ruchings, without exaggeration, were four inches broad, the uary, 1765, lived there in the woods or frontiers, skirt was gored, and with scarcely any fullness. upon a time." shuddered-had she have been an eye-witness. shuddered—had she have been an eye-witness.

How much that chest contained. The leg-born bonnet—the white crape shawl—a black apron, the two latter folded and put away to gether, while underneath these I delved, and brought to light a diminutive Bible, thumbed and worn, bearing, upon the fly leaf, a date long gone, also the words: "Faitn not, the miles to heaven are but few and short." True indeed, and if the reads were not so rough—we trust—that so many would not fall by the wayside.

Tucked away in one corner was the hand beg—I felt for ginger-bread, but found none—instead there was an unfinished sock—with needles rousted and the stitches breaking away from them. Near by was a tiny cup and saucer, also a plate without a mate—
