Women for School Directors.

The Wilkes-Barre Record says. It is the telk hat two women are to be put upon the ticket this spring for school directors, in the borough

In or near New Milford borough, a black for riove. Any one finding it will confer a favor

by leaving the same at this office, or informing | Railroading in Earley Days. where it may be found, and vill also be suitably rewarded.

The "Pride" of the Susquehanna Journal has em seeking a notice from this journal for the last six months. We would simply remind him of the fable of the "Gnat on the Bulls Horn."-Whenever we can feel his weight we may notice

The Wealthy Mines of Cornwall,

The Corawall ore hills are in all probability any other deposit in the state. They have proluced sufficient material to make scores of familes wealthy and independent. They are situated about thirty miles east of Harrisburg. They comprise three hills, called the "Big Hill," "Middle Hill" and "Grassy Hill," containing about pted to the manufacture of Bessemer steel, which is fast coming into general use.

Newspaper Postage. Hitherto the ruling of the Post Office Department has been that a subscriber to a newspaper, having paid his pustage for one year, and sub-subscriber to a newspaper or periodical, who has paid one year's postage in advance and moving within the delivery of another office, before the year expires, the Postmaster should give him a receipt; the party should then notify the publishers to send his paper to the new office, where, upon the presentation of the receipt, the Postmaster must deliver the publication. The oldest horomotives were the lartiord, Quinnipiac, Charter Oak, and New Haven. ccipt, the Postmaster must deliver the publica. Haven. tion free for the remainder of the term paid
