Notes About Town.

Crouses will soon bud out and leave-for the through the columns of the Montross Republican, country,

Wild pigeons are flying. Get out your shot, gard to the witnesses who were called upon to

The list of jurors for April Term will appear learned, were thrown into confusion, and some of them criminsted themselves; and, in consequence thereof, occupy an unenviable position in the community." in our columns next week.

the existing and liberality of the bridegroom | To this the witnesses referred to make this may prompt." Emerson says: "The way to make the world

Emerson says: "The way to make the world bell'er is by reforming number one, then there will be one less villian in the world."

The Reception of Rough & Ready Fire Company to No. 1, on Friday evening last, was very successful. The receipts were \$142 13.

The Republican's opposition to the "usury band" is illustrated by Bassanio's remark on forthomos's loose talk, a "grain of wheat hinder in two bushels of chaff. You search all day to find the kernel, only to discover that the kernel insit worth search."

"The undersigned, who were witnesses on the occasion reterred to, went to make the same through the proposition of the gentleman and "all whom it may concern," that we stand ready to repeat out story before any Court, ecclesiastical or otherwise, stader of the west to corrodorate it beyond a doubt We consented to appear and testify at the trial reductantity, and gave our evidence in a very moid to tell the whole truth, we should have to the line. At the same time we should insist that the defense be under the same legal obligation to tell the truth, the whole truth, and nothing but the t uth."

M. J. Taylon,

We have nothing to say about the weather this week, for the season has clearly demonstrated that "you can't tell what a day or an hour | As signers of the charges and specifications will bring forth." We may retire, fulled by the against the Rev. A. F. Harding above referred Reform in politics must want our retorm in Rest. sweet song of robin and bluebird, and arise to to, and in view of that gentleman's recent atshovel snow under the ban of the borough or tempt at vindication of himself and villification the public mind and aspiration, so prevalent dinance. We shall wait till "May flowers" of others through the columns of the Republicome, before we venture another weather item. con, we teel called upon to say few words felonious embezziements and detalention

R. R. Little, member of the Legislature at Harrisburg, in the State of Pennsylvania, had the P. M. of the House return the last copy of to whether the two charges spoken of by him our paper, which he has received gratis for three months previous, to us, marked "re
Conference, we have only to say that it was our clean? Can the "bitter fountain send forths weet" fused." It did not hurt us much, neither did it understanding of the matter at the time, obtake any of that stuff of which soan is made out of his speech to the little usury band. He the charges referred to could not be enterdidn't refuse it soon enough.

How is it that the editor of the Republican is sumed that Mr. Birdsall understood it in the allowed to circulate hand bills in his paper rewatedly through the mail, in direct violation of the postal law? Has the law been repealed or does it only apply to Democratic editors? We could have increased our job work, both in quantity and in price by such a procedure. quantity and in price by such a procedure. It and disposes of the dollars fine to be guilty of such an to pass that a minister placed upon a charge to pass that a minister placed upon a charge it at Homer said last fall he was very much opposed to illegal advertising.

Wyoming and Sullivan Railroad.

The Wyoming and Sullivan Railroad scems to be a fixed fact and there are encouraging ru- dignity, and supported by his ministerial brethmors affoat that the grading will be commenced ren, headed by the Presiding Elder, say to the this spring. There has been but little said about complaints, your charge is too "trivial" for nothe matter-no fuss and none of the excitement | tice? usual upon the incention of such enterprises, unless forced to do so by information more pos but the preliminary work seems to have been | itive than even the published declaration of the done no less thoroughly. Should it succeed it | Rev. A. F. Harding. A few words with regard will add very materially to the prosperity of to this portion of the charge. As Lanesboro is our town .- Tunkhannock Democrat -----

A. F. Harding.

Rev A. F. Harding, in the Montrose Republi- territory of North Jackson. The wonder is that can not long since, asks us to go to Jackson and the centleman has not carried his construction inq tire upon what ground we based our opin- of privilege so far as to change the name of the ion that Wm. Birdsall was "one of the most re- charge from that of Lanesbore to North Jackspectable citizens of that town." The sequel son, that favored section now blessed by his shows that we are not obliged to go to Jackson continuous presence, and where the Lord lor confirmation, but the Montrose Republican, his own spout, contains the evidence this week, It may not be generally known that the public in the names of a large portion of the citizens ministrations of the reverend gentleman were of that town. It seems to be mandatory upon to go there now and inquire after the charac. Without a notice even to the few who still ter of him and the editor of the Republican. It gathered to listen to him, he passed by the must be lying around there somewhere, loose,

bilver Luke Elections.

MESSRS EDITORS DEMOCRAT:--In your issue | left the church and people here perfectly united of the 11th inst, appeared a lengthy article from in full appreciation of his absence, which we Silver Lake, in relation to our Town Cancus, fear cannot be said of the people of North Jack-Election, &c. The writer, after viewing the son in his presence. We believe it is the first Election, &c. The writer, after viewing the past and putting on his thinking cap, in reference to the future, says, there was a caucra held at Mud Lake, on Saturday previous to election, with the largest attendance that has been known with the largest attendance that has been a rupture between the largest attendance that has been a rupture between the largest attendance that has been a rupture between the largest attendance that has been a rupture between the largest attendance that has been a rupture between the largest attendance that has been a rupture between the largest attendance that has by a Democratic Chairman and Republican without an exception, denounce him as totally Secretary and they made nominations to cor- unfit for the position. In conclusion, we have ith the meeting. Why did he not to say that, having, as we trust, by a true statestate who and what the nominges were? For ment of facts, corrected some wrong impression he reason that it would not serve the miserable that would naturally grow out of the published corrupt and vile purpose he had in view to cause statement we have naticed, we leave the author assention and strite among neighbors: The fol- for the Annual Conference to dispuse of as it bowing named gentlemen were the nominees of may deem proper, declining in enter into any that mongrel caucus as he is pleased to term it.
