ing biar right and both and the intervalues and relaxed, it brares them; it the biver is toroid, it promotes activity in that or-gan; if the mind is gloony, it clears away the clouds; if the appendix is gloony, it clears away the clouds; if the appendix is non- and digestion a slow and painful operation, it creates a relish for food and cambles the stomsch to convert it into healthful aliment. Moreover, it is a speci-fic for a large number of ailments, some of which are particularly prevalent in the damp and chilly weather which we so often experience in mid winter. Among these may be mention-ed ricomatism; chills and fevers and all the morbid conditions of the digestive and secre-tive organs superinduced by sudden changes of touperature and the inclemencies of the season. April 1st, '74.-4w. DAMPHLETS COSTAINING THE O'Mara Murder Trial, Oct. 15, 1813, -Am. Tou SALL AT THIS OFFICE.

The flashes of excitement produced by the stimulants in ordinary use, are followed by a reaction that is always none or less injurous.— Just as the darkness, illuminated for a moment by the lightening's glare, becomes apparently blacker than ever after the flash is over, so the blacker than ever after the fash is over, so the mental gloom and physical decility that vanish temporarily under the influence of a dram, re-turn with a ten-fold intensity when the first transient effect cases. Yet physicians labitual-ly prescribe the liquors of commerce for patients suffering from bodily weakness and mental des-pondency. The true remedy in such cases is a pure stimulant medicated with the firest tonics and alternizes which the gravely be history.

pure stimulant medicated with the finest tonics and alteratives which the vegetable kingdom affords, and flostetter's Stomach. Bitters is the only preparation at present known which thor oughly meets the emergency. The effect of this popular restorative is continuous. Each dose taken invigorates the vital energies and the brain, and its prolonged use will unquestiona-bly cure any case of debility, hypochondria, or mental torpidity that does not arise from organ-ic causes beyond the reach of medicine. It is, in the strictest sense of the word, an invigora-Farmers' Store!
