which will keep his nose above the surface. General Grant has found that fouting in stepping on the submerged hard money principle of democracy.

There seems to be a lull in the woman's crusade in Ohio. A letter from Mansfield to the Cincinnati Enquirer says : "It is the opinion of all men not prejudiced either one way or the other, that the crusaders have had their day, and their praying and singing will now amount to nothing more, as it will be love's labor lost. Whiskey has been more plenty within the last few days than ever before.

Her hashand is a member of the Pennsylvama legislature. The present session has been long and trying. Local option does not prevail in Harrisburg. She is lonely and warbles thus :- Chambersburg Valley Spirit.

"Husband, dear husband, come home to me now, How long, on ! how long, you have stayed 1. I know that the distance is weary and long, But then, my love, your milage is paid. Your milage is paid by the longest way round, Bat take the 'short-cut' when you come, Your speece on reform, dear, was fine twee-dle-di,

And Lides all your 'tweedle-de-dum.'

President Grant has vetned the inflation bill, for which he deserves the thanks of the people, no matter if his actions were prompted by personal or selfish motives, as some of the advocates claim' and which is not improbable. Grant,s early teachings in opposition to an irredeemable rig currency still stick, and if he holds on to his present determination to "unload," we may look for additional evidences of his early political training in other directions.

In the house last Friday morning Mr. Wainright reported from the committee the army to admit that a layman could matters are apt to drift into bigotry, and of which he is chairman a bill to repeal make any suggestion, in strategic moved personal liberty is crowded. Personal the Legal Option law.
