Make Home Attractive. At this time of the year, when the determined have been seed to second reading in the House of Representative on Friday last, by a vote of 54 years to 32 mays.

A Galesburg widow met her swain at a temperature usefuln, and gave him \$0,000 to meet some notes coming due; the Philadelphia wildow gave her lover \$3,000 to furnish the house they were to live in; the Newark widow gave her San Francisco bealt, whom she met at a church festival, a house valued at \$7,000 to dispose of. The lovers all pocketed the money and decamped. The poor women deserve pity for their confidence if nothing more. A widow mot reasonably be expected to telegraph all.

At this time of the year, when the decamped and the may be made for a very small though it may not be he was a man who fulfilled his obligations, reduced the special gaint at the causes which have deemed his promises, and paid his debts. But Mr. Secretary Richardson seems to have taken to the expense of a little inbor and a very small the were, and set him down on the empty end of this last issue of the lowest denomination of the country, its growth, actual condition and prospects. It then shows how this noble system of the best currency in the world. Whoever will be severe that Mr. Meresting of the convolvolous while a narrow consult the piece will observe that Mr. Meresting of the convolvolous, while a narrow of the best currency in the world. Whoever will be some of the country, its growth, actual condition and transcondance of the country is the consult the piece will observe that Mr. Meresting of the convolvolous, while a narrow of the best currency in the world. Whoever will be seed currency in the world. Whoever will be some of the country in the world to the neck as the like were, and set him down on the empty end of the country, its growth, actual condition and prospects. It then shows how the most of the like country, to whoeve will have the was a man who fulliled his obligations, reflected the money of the fleeness of him to have the will know see the like were, a the case of the country to inquire from what, if any, of flowers, besides it will endow them with a two flowers bernaming the country to inquire from what, if any, of flowers, besides it will endow them with a pententiary her adorer has emerged. However commendable industry, as well as a love for the two will and a desire to make home attractive, it would be cheaper in the long run to do so.

Bays and girls make excellent gardeners, and the care which he adores, its mallness and worthless, gambling in stooks, and the control of sowulsion from the effects of which we are by the wayfarer and the toper, and its being the cause of the two will also be considering.

The book then takes up the cause of the wayfarer and the toper, and its being this it would be cheaper in the long run to do so.

Mints to Temperance Bands,

The real field for temperance writer, is the homes and schools. Not much recently from this cause. One girl jumped 800, can be done, perhaps, with those who have times in succession and was found dead in bed reached maturity and become the bond slaves next morning, and the other fell to the side of appetite and passion. Rarely have they been emancinated from that awful thraldom, till death has brought their release, but the rising the family, the church, the school, and wherevdelphia and Reading railroad company have er moral effort can be brought to bear. Let one bought for their rolling mill at Reading 2,000 generation be brought up wisely and virtuous tons of nig metal ahead of their wants, in trade iv, and the millenium will draw amazingly speedy advent, nor expect to do much in one short life time to bring it about. We merely endeavor to indicate the direction which our ef-

than they are now obtaining.

New Milford's Outlook By the failure of Moss & Knap in New Milford, the tannery formerly operated by them them in as choice varieties, receive their pay has been lying idle some months. On Wednes and then pass on thus swindling everybody who mploys them. Our tarmers should keep a G. B. Eldred assignee, for \$8,000, to a firm in Boston. We are informed that these parties will enlarge it and add a finishing department. They propose to start with about forty workmen, with the intention of increasing the numd a new name for legislative dodgers. It calls per to a hundred. It is not unlikely that this increased enterprise may induce a boot and them "straddlebugs." It says:

Thompson, of Fayette, and McMillen, of Somerset, straddled the vote on the liquor question, and it is hard to tell on which leg they rested most weight. Both gentlemen oc chipied the same position before the people at the time of their election, and this matter of the interest of the gentlemen of the gentlemen of the gentlemen of the country by the productions of their lations are credit in the same of the country by the productions of their lations of the country by the productions of their lations of the country by the productions of their lations of the country by the productions of their lations of the country by the productions of their lations of the country by the productions of their lations of the country by the productions of their lations of the country by the productions of their lations of the country by the productions of their lations of the country by the productions of their lations of the country by the productions of the country by the productions of their lations of the country by the productions of the country by the productions of their lations of the country by the productions of the country

Father of Forty one Children. John Hepner, of Reading, claims to be the father of forty-one children by three wives.generation can be saved. The precious growth of character should be watched and guarded in and twenty-five years afterward, 1840, he married his first wie in Germany. They lived happily together for eight years, when she died -During that time they were blessed with seventeen well formed children; hence at the age of We do not look with confidence for its thirty-three Mr. Hepner found himself the father of quite an extensive family. The little one came on earth as follows: two pairs of twins, tour sets of triplets' and one, at single birth, forts for reform can take with far better results, seventeen in all. The children of this marriage

Mr. Hepner remained a widower but a sho time, for in less than a year after he married another fair daughter of Germany. Providence miled on the union and apparently approved of it, for during the course of events he was made the happy father of another child in the month of February 1840. On Christmas following in the same year, ten months afterward, another child was born unto him. Then the lord blessed them with twins five times in success subsequently three more children at single birth were born unto them, making fifteen in all. His second wife and himself lived together nine years and then she died. By the two marriages Mr. Hepner, at the age of forty-two had become the father of thirty-two children, of which only

wo are now living.
Twenty-years ago Mr. Hepner and wife came ntry. He was then thirty-nine years of age. Three years afterward his wife died,-Mr. Hepner not desiring to live in a strange land entirely alone selected a third wife in 1858 prise of any community, blighting all iming the sixteen years of their married life nine children have been born unto them, each by single birth, making forty-one in all. His third wile was a widow with one child when they married, hence forty-two children have called him "father." Of the third set of children only three are living, making five living in all, together with the extra one belonging to his third

Chapped hands are very common with the

The following letter shows the benefit of SAVINGS BANK. NEW MILFORD, PE

Mesers Herring & Furrell:

Our Banking House was entered by burglars on the night of the 21st ultimo, a man in an adjoining room was seized, handcuffed, gugged, and bound to a chair by three men, who prochained themselves bank thieves, and an attack was then made on one of your affer, size

ten cent mate, and was agreed to sight.—Binghanton Republican.

Vetls.

From the tiny infant in the nurse's arms to the ancient widow in her weeds, the whole sex is veiled. Veils arswer many purposes. They conceal defects, they cover grief, and so we see a whole race of women of every age, style, and condition laying foundations for ciseases of the eye through an almost needless fashion. These blunders are of every conceivable style, from the white dot on the child to the English crape on its grandmother.

There is a per-cet storm of indignation in the community over the new ten-cent hote—the one adorned with the portrait of William M. Meredith—because of its close resemblance to the superior burglar-proof qualities of your safe. There appears to be nothing injured but the doors. The banker's careless, and hurried are easily led into taking the ten-cent bill for the half-dollar note. Considerable loss has already been entailed, and more unsuspecting persons are daily being victors and the first of the eye through an almost imized. As the Dexter half dollar stamp has already been counterfeited, it would be judicous for the English crape on its grandmother.

There is a per-cet storm of indignation in the community over the new ten-cent hote—the one addition in the appear to the superior burglar-proof qualities of your safe. There appears to be nothing injured but the doors. The banker's qualities of your safe. There appears to be nothing injured but the doors. The banker's containty was a most desperate and well-planned attack, and was most d your customers.

During the blasts the burglars went out of

HISTORY OF THE GRANGE MOVEMENT; Or the the Farmers' War against Monopo-lies. Being a full and authentic account of the struggles of the American Farmers against the extertions of the Railroad Companies. With a History of the Rise and progress of the Oreer of Patrons of Husbandry, Published by the National Publishing Co., Philadelphia.

shows how the farmers are overcharged and robbed of the just reward of their labors, and points out the causes of these evils. It explains how the railroads impoverish the farmers, and gives a substantial reason for the charges so often repeated, that high freights affect, the value of land as well as of its products.

A considerable portlen of the work is devoted to a history of the Patrons of Husbandry, and it contains an account of its rise, progress, present condition and future prospects Each feature of the order is fully explained, and an amount of information is given concerning this wonderful organization that will amply satisfy the most curious.

SATURATE a piece of Bread or Meat with gastring late, and it will dissofte. This is indeposition.—Bewaie, then, of tinctures, or tonics, or decotions containing spirituous liquors. Shun all rim "tonics" and rely solely on DR. Var. Vivisoan Britzens, the finest digestive invigorant known, and free from the fiery curse of Alcohol.
