candidates. The blindness with which Church Scandal. The case may be stated again. we are going forward in this regard is in a few words. Theodore Tilton, forperhaps not an evil token. We trust, however, that for no position on the ticket shall we have any person named who statement occupying several columns of is not of the fittest and best material; in fine print containing twenty two specific the party. The democratic party owes it charges of adulterous intercourse beto the country to meet the demand for tween Beecher and his (Tilton's) wife honesty and official integrity with com He also quotes from letters in his possespetent and honest candidates. To be de- sion and that of a mutual friend, written feated with such standard bearers is no by Beecher and Mrs. Tilton corroboradiagrace. To succeed in electing bad, ting his statement. Be-cher and Mrs. Tilcorrupt or incompetent men is a greater ton have each made a simple statedisgrace. To succeed in electing oad, corrupt or incompetent men is a greater victory for our opponents than for ourselves. The odium of such a triumph justifies opposition and increases it.

The election for select council held in Harrisburg on Friday last, resulted in the success of the democratic nominees in six of the nine wards. We do not claim this as a partisan victory, says the Patriot: For many voters who have heretofore acted with the republican party aided in producing it. This popular verdict recorded Friday means simply that the people are weary of the rule of the ring which has dominated them these many vears and that no party cry can again mislead them into the support of candimislead them into the support of candi- er or Tilton, shall be held responsible for dates whose election would be but a new his crime. There is no middle ground to lease of power to those who have mis take, but all must admit that one of these governed them in the past. It now be men (and perhaps both have) has placed comes the duty of the democratic majori- himself outside the pale of civil and rety in select council to use their power ligious tolerence. The great downfall of blended. wisely and to devise and carry out such civil and religious virtue begins in high measures of municipal reform as the vote of Friday indicates the people of the city desire and expect. We are satisfied that the voters whose ballots have registered this signal triumph of reform have not this signal triumph of reform have not the signal triumph of reforms as the signal triumph of reform have not the signal triumph of measures of municipal reform as the vote places, by the zeal with which partisanthis signal triumph of reform have not misplaced their trust.

An administration journal says the Republican party points to its history not as an excuse for its inaction, but as a proof of its intentions. Judged by acts, its intentions are not as good as those with which his Satanic Majesty's dominions are paved. People who are asked to Judge of the imtentions of the Republican party by its past tentions of the Republican party by its past in the history, will naturally recall such chapters in the history as those which tell of the result Mobillier swindle, the Louisians any tailure in them to heed its warnings. The scoffer can find no for the department of crime ted by the closking of it. No party, either in civil or religious matters, ever suffered by the just punishment of crime in article manner.
