It is not probable that the Democracy will do any which he is substantially elected by the better when it meets in Pittsburg next convention. No fraud apon the people has been enacted because the constitu tion permitted it. For Leutenant Governor, Hon. John Latta, of Westmoreland, has all the requisites of experience capacity and fitness that the position re quires. Hoh. Justus F. Resolved. That the following are among the leading principles of our political belief:

First. That the present prostration of the industrial and commercial interests of the country has been brought about by the unwise legislation of the Republican party, and that prosperity can only be restored by a change in the administration of government.

Second. That we are opposed to governmental grants of public lands to corporations as tending to general corruption and the demoralization of the public service.
