BEANT COMMENT AND A CO

The Situation in Learning States are produced in the control of the work that states are produced in the control of the work that states are produced in the control of the work that states are produced in the control of the work that states are produced in the control of the work that states are produced in the control of the work that states are produced in the control of the work that states are produced in the control of the work that states are produced in the control of the parts for the parts for the produced tree of the parts for the p

and personal mentions, not from Dem- Bradford Argus. ocrats, but from a large number of the honest men of the Republican party of his own county, who intend to seal their opinion with their votes. Let the Democracy of this county AWAKE! and Joseph Powell may be our next representa-

tive in congress. Our standard bearer for Congress is a gentleman so well known to the business men of Bradford, that the simple mention of his name, among those with this, his native county; but since our district stretches from the borders of the Tioga, to the Deleware river, embracing people with whom we have never heretofore held political relations, a brief biographical sketch of our candidate is appended for the information of his disant constituents.

Joseph Powell was born and reared a farmer until his eighteenth year, upon a village. At that age he commenced the ed States and only five in Europe. career of a merchant clerk, in the store of Thos. Elliott in Towanda, with whom he continued for a period of five years devoting from ten to fifteen hours per day to the work and management of the miscellaneous duties of mercantile life, when such duties embraced every depart. miscellaneous duties of mercantile life, when such duties embraced every department, from fireman to book-keeper.

Faithful in the discnarge of his duties, truthful in all the business relations of Moulton, this merning became his bonds life, and trustworthy to an unlimited meh for his appearance upon the indict-credit, his word has been his bond, and meht found against him for slandering for all these years, in which his name and Rev. H. W. Beecher. reputation have been prominently connected with the people of Bradford county in business relations, they will challenge the most searching investigations on the score of integrity and fair dealing.

There is not in all the community a man who is giving employment to morphabor, or dispensing the means of support the county of the nected with the people of Bradford coun-

labor, or dispensing the means of support to a greater number of families.

It it safe to say, that for the past ten Many persons complain or a dull pain in the years, not less than one hundred families; side, consipation, coated tongue, pain in the sheddler-blade, feelings of drowsiness and restrations, with which his is, indirectly, the dispensing hand.

Mr. Powell has never sought nor occuthing before them in the election for members of the legislature yesterday.—
The party will have a majority of 205 on joint bailot in the next general assembly.
There is one state under native rule, and the reputation of the man whom round the reputation of the man whom resolution for the ungent and in the congruence and interest and almost before they are aware the lungs are a mass of sores, and ulcerated, the result of white does not contain only in the congruence and interest sought nor occur.

Persons so affected, if they take one or two heavy colds, and if the congruence asses be solicitations of that large class of men liver clogged, remaining torpid and inactive, and almost before they are aware the lungs are a mass of sores, and ulcerated, the result of white does not contain only in the congruence and i we do not hear loud complaints of blood-they delegate to represent their hitherto shed and tyranny within its borders. If neglected interest, that he now permits Science's Sea Weed Tonic dissolves the food

Coming from the people, chosen by the tion. This is not, of course, an argument people, let his election take place at the for giving them office without election hands of the people; and we make the but for trusting them in case they are declaration from a life long knowledge of the man, that his every official act and deed, will square to the line of public ex-
