Drugs and Medicines.

Bitters are a purely Vegetable preparation, made chiefly from the native herbs found made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of Vinkoau Birrins?" Our answer is, that they remove the caure of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of Vinkoau Birrins in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Fonic, relieving Congestion or Infammation of the Liver and Visceral Organs in Bilious Diseases. If men will enjoy good health, let

IR. a. ather's California emegar

hem use VINEGAR BITTERS as a medicine, and avoid the use of alcoholic stimulants in every form. No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not de-stroyed by mineral poison or other means, and vital organs wasted beyond repair. (ITALPUI THOUSAIMUS proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mis-sissippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Bra-Cumberland, Arkaneas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannal, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Sammer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dg. J. Walker's Viveous Bittells, as they will speedly remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Dyspepsia or Indigestion, Headache, Dyspepsia of Indigestion, Headache, Pain in the Shoulders, Conghs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bitous Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement. Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulors Inflammations, Indolent radiaminations, Michael and Rationa, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these, as in all other constitutional Diseases, Walkers & Wineda Britens have shown their great carative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Billous, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kıdneys, and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of Walker's Vin-For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pus-tules, Boils, Carbuncles, Ringworms, Scald

thea, Sore Eyes, Erysipelas, Itch, Scuris, Discolorations of the Skin, Humors and Discolorations of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No sys-OP tem of medicine, no vermifuges, no anthel-minities, will free the system from worms like these Bitters.

For Female Complaints, in young or For Female Complaints, in young or old, married or single, at the dawn of womanlood or the turn of life, these Tonic Bitters daplay so decided an influence that maprovement is soon perceptible.
