Notes About Town.

Getting chilly

No leaves, no flies, November,

Repair your chimneys before winter sets in Pheasants can be killed during November and December.

James Watrous, of the late firm of Read & Watrous, has gone to Towarda, and entered into partnership with a gentleman Lamed Kent in the Dry Goods business.

A millinery and fancy goods store has been opened in Post's building, (next to Miner's store,) by Mr. Surdam, of Binghamton. His stock is very full and chean

The publisher of the Republican often intimates that people should not advertise in any paper but his, yet, sil cannot see it in that light as a look at our columns will show. Also, the same with job printing.

Bishop O'Hara made a pastoral visit to the Catholic church, in Montrose, on Sunday the 25th ult., and administered the Holy rate of confirmation to a class of eighty. He preached a very fine discourse from the text "Render unto Caesar the things that are of Caesar, and unto God the things that are of God." I'nder the first head, he counselled his hearers upon the imperative duty of patriotism, by strict obediince to the Goyernment and the laws under which they live, and to practice temperane honesty, and charity, and above all to render unto God a faithful Christian lice

Who Can Seat It? A. H. Allen, of Dimock, of Friday forencer the 13th, busked 29 14 bushels of corn in four hours and thirty minutes.

An Editor

A contemporary says: A newspaper and newspaper editor that people don't talk about and sometimes abuse are rather poor concerns. The men and business that an editor sometimes feels it a duty to defend at a risk very first to show ingratitude. The editor who expects to receive much charity or gratitude will soon find out his mistake; but he should go shead and say and do what he conscientiously thinks right without regard to frowns or

"Leaves have their time to fall," but they are only a nuisance if left in the yards and on the sidewalks; but when gathered !ry, and stored in the barn or shed, they add greatly to the value of the manure pile in the spring. A litter of leaves in the horse stalls is more disirable than one of straw, for it can be renewed without the necessity of cleaning out the stalls more than twice or thrice a week Resides the leaves absorb the amonia more rapidly than straw, and can be more thoroughly work ed over and trodden into it; and they also

verges on bad style.

Boy Shet Instantly Dend.

Saturday atternoon Oct.24, about 1 o'clock,as Explanations Explained. Charley LaGrange, son of Jas. LaGrange, and Robert Stever, son of Jacob Stever, were rethat LaGrange was dead left him lying in the

gained, but a great deal of hard labor lost.

Young men enter into life's toils with anticifriends, supported by parents, everything promm cy enter zealously into a hard course of study, thrence and attractions, are at last entirely neg-

What is the result? They are despondent and lack the energy to again resume their task, therefore time and labor are together wasted.

Can you cite an instance where a man has Premiums Awarded at the Harford Fair become famous in the pulpit, in science, or in any branch of learning by a few months applieation to study; No, you cannot. A year's toil is not all that is required, be it ever so energetic, but it is the labor of a lifetime ! persto promitto pretium.

Susquehanna depot in this city. The victim of the thief, Mrs. J. Haslam, (whose husband died some time ago.) was in the basement of her house canning some fruit, when she heard an unusual noise going on up stairs. She was somewhat startled by what seemed to be a strange disturbance, as she nad taken every precaution in securing the doors and windows between the cause she was considered as the control of the contro Susquehanna depot in this city. The victim | Best pair oxen, 5 yrs old and over, E. T. Tildover and trodden into it; and they also nake the manure of more value for flower particularly rich in phosphoric acid, which is, next to amonia, the most nighly treasured constituent of plant growth.

Fall styies.

Demorest's Monthly for November says the shades of color which seem decidedly most in favor this autumn is the very bluish shade of gray called Russian gray. Steel blue is another variety or the same, and agrees well with the steel bend embroidery now so much in favor—lit would seem an error, however, to suppose that the present furrur for beading will be hasting it to fine comes, but never lasts very long. The often comes, but never lasts very long. The first is just heads in moderation, are elegant and for a very solution blow on the breast, which felled her solutions as well as the present furrur for beading will be hasting the present furrur for beading will be for a few minutes in surprise, doubt the set or a few minutes in surprise, doubt the set minutes in surprise, doubt the set minutes in surprise, doubt the set minutes in ran np stairs, when to her surprise, she saw a Se velvet, but bending to any great extent, and to the floor, and before she could recover her especially steel or glass beading, is not good self, he threw down the dresses and decamped. taste; and so though they may be carried away | As soon as she gained her self-possession after for a while, by the caprice of fashion, ladies of the rude shock, she discovered to her dismay real taste very soon give up beading when it that the thief had stolen a gold watch and chain worth \$120, which her husband bought her as

a present, also \$60 in cash.

Messes. Epitors:-Doubtless your readers have seen as much about the fallen steeple as turning from a hunting expedition off toward they desire to read, but as Brother Weeks asks Hawleyton, and when on the Peckham Road me some impertinent questions, and perhaps masking along honeward, the Stever boy carrying his gun behind him under hisarms across his back, with the muzzle pointing to the Lating the steeple was taken away Sunday. Second best, F. H. Tiffany, one that is pertinent, in his lengthy explanations, I will answer that one. He asks why less that seed, W. T. Austin, his back, with the muzzle pointing to the La- the plan of the steeple was taken away Sunday Grange boy, in some manner the trigger catch morning. Simply to prevent its being lost or ing in his coat sleeve, the gun was discharged destroyed. This was done at my request. I and the load entering the LaGrange boy's head might ask, where is Mr. Gordon's plan? Mr. killing him instantly. The Stever boy seeing Weeks says in his explanation that a statement made by Mr. Cooley, after the fall of the steeple road and came to the city and informed Mr. that the drawing I made was 140 feet high, LaGrange and others of the fatality, who went was all news to him, and that he had never out and brought the body to the residence of heard of any other height than 157 feet to the Mr L in the 5th ward. The shooting was finial. Now that plan was given by me to purely accidental. Stever is aged about 17 Mr. Cooley, and the scale to which it was drawn purely accidental. Stever is aged about 14 Mr. Cooley, and the scate to which it was unawn and the LaGrange boy was about 14 years old. plainly marked upon it 12 incb, to a foot. And Best potatoes, Brownell beauties, L. E. Carpen it was in possession of Weeks or his workmen one year, or until the Sunday morning after This is the banner for young men to look up the fall. And yet the Superintendent of the and follow. Without it, nothing can be building from its commencement did not know the height. Is not that strange? Again be Best 12 onions, Heber Tingley, made the discovery, after the steeple had fallen | Best 6 beets, J. L. Williams pations of a glorious future, encouraged by that A. W. Cooley and W. H. Boyd had concocted a plan to defraud the Methodist Society, ises an important career, and yet, how few out of 20 feet perpendicular height of comparatively ever attain that position their the Spire. This is too silly for notice. It apearly ambition desires, although at first, they pears to me that the Methodist Society of Montrose have read the Book of Job with some vet soon their determination drops, their books good effect, not even to ask for an investigabecome obnoxious, and lured on by outside inrence, but patiently, to go to work with a will tocrect a better, and I trust, more substantial structure, as present appearances amply indi-

he would convince them. On opening the stomach the nuts were found in a mass. He sprinkled salt on this and it immediately dissolved. I have known of a sudden death myself, which appeared to have been from the same cause. I generally eat salt with nuts, and I consider that it improves them.

To our Lady and Non-Political Readers

With the last number of the Democrat the political campaign closed. As an organ of the Democratic party it has been our duty and our pleasure to do all m our power to elect our State and increase the majority for our County ticket, and in doing so we have crowded our Division 5,-Grade Durhams

columns for weeks past with political matter. This is now over and for some time to come we intend to devote this space principally to local matters, news of the day and current literature—thus making it acceptable to all—in fact a household journal that will be as acceptable to the ladies and young folks as to the politicians.

In our effort to make a good family journal we ask the co-operation of our friends every where. With the incoming of the new year (1875), The Democrat will be enlarged and yery much improved in all respects. Let each pue interest themselves in getting us new subspace of the special property.

BINGHAMTON OFFERS AN ATTRACTION

For gentlemen who wish to dress well.—The
Washington Strikett Taillois have engaged
the services of the celebrated W. H. Lindly, a
gentleman of considerable note with the tailor
ing fraternity of this country. They are now
prepared for the summer trace, as they have just
received all the new trings in the way of cloths,
cassimeres and vestings. Their references are
the best, having take in the irst premium at the
Tailor's Institute in New York last fall. Give
them a call.

H. H. HALLOCK, Proprietor.

SI Washington St.,
Binghar ton, N. Y.

Si Bindhar ton, N. Y.

which they will not subdue, and no lameness which they will not cure. This is str. ng languare, but it is t. ne. They have produced more cures of rhenmatis o, neuralita, lock jaw, palay, sprains, swellings, caked breats, scalds, hurns, sall'theum, car-ache, 3c., upon the human fr.me, and of strains spayin, galls, etc., upon animals in one year than have all other pret-med remedies since the world began. They are counter-irritant, all-braing, pain re lievers. Crupples throw awayth it crutehes, the lame walk, poisoons bites are trudered harmless and the walk, prisonous bittes are rendered harmless and the rounded are heard without a scar. The recipe is pub ished around each bottle. They sell as no articles ever lished around each bottle. They sell as no article's ever sold before, because they do just what they pretend to do. Those who now suffer from rhemmatism, path, or swelling deserve to suffer if they will not use Centaur Lintim int, white wrapper. More than 1000 certificates of remarkable cures, including frozen limbs, chronic rheumatism, gout, running tumors, eve., have been received. We will send a circular containing certificaties, the recipe, etc., gratis, to any one requesting it. One bottle of the yellow wrapper Centaur Liviment is work, one humored dollars for spavined or sweenied horses and males, or for series worm in sheep. Stock owners with self-influents are worth your attention. No family should be without them "White wrapper family are;" Y llow wrapper for sulmals. Sold by all Drugsists.—
30 cents per bottle: large bottles, \$1.00. J. B. Ross & 50 cents per bottie; large bottles, \$1.00. J. B. Rusz Co., 54 Broadway, New York.

Castoria is more than a substitute for Castor Oil the the only age article in existence which is certain o assimulat the bood, regulate the bowels, one wine one and produce natural sleep. If contains neither internal, morphine or alcohol, and is pleasant to take
