### THE DEMOCRAT

E. B. HAWLEY & CO., Editors.

Wednesday, Nov. 18, 1874.

Gold closed in New York, on Saturday

at 110%.

There has been a marked advance in the prices of Southern and Western State bonds since the late election. The Phil adelphia Ledger noting this fact savs : It

Three and a half tons of silver were denosited on Treeday by a banking firm tender in this country, the mirtis only money being driven out by poor.

Nothing brings out the brutslity of republican policy in a more glaring light Williams is 741. The Hon.W. W. Watson, than the spectacle of the affrighted ne- on the same ticket, receives a majority South rejoices with great joy, of course, gross at the south selecting from among over E B. Hawley of only 305, a slight over the result which enfranchises them. the whites new masters in the faithful discrepency (?) of about 500 votes against and a glad feeling pervades the whole helief that a Democratic victory is equive senator Watson in his own county where section from one end to the other, but al nt to the renewal of the slave system. Is it any wonder that these delud d and ity is the smallest that any Republican or aggressive spirit. The Ridical prophahns'd people, naturally the most social, bas ever received in this county since the ecies have not been realized. They doci'e, indolent and lighthearted of hu- asscendancy of the party, which is twenty have fallen still born, and their makers beings, have beer driven to the commission of crime by the apprehended calami. 1,500 down to 800 on the same pull of tv which was to overtake them if their their vote as this year. H. M. Jones have given joy and hope and confidence Democratic neighbors succeeded at the last year, notwithstanding he was elected to the people of the South, but they have e'ection? It is a pitiful story. The day in the district, by only FIVE majority, not suggested to them even the idea of of reckoning for the southern carpet bag- vot he had 539 majority over E. B. Haw another repellion. Such a supposition is ger will indeed be a heavy one.

nor law. The law prohibited any sale the poor and in favor of the rich, who corld buy large amounts of liquor. Mr. Morton was again elected Governor by choice having been made by the people; over all other candidates, the legislature elected. That was the time of John Tvler. In 1850 the Democrats again carsoil party, electing George S. Boutwellnow a Republican United States senator, satisfied with such a victory at home .but then a Democrat-governor, and Charles Sumner United States senator. Since the latter year no democrat has been chosen to a state or federal office in-Massachusetts, except at the late elec-

A Herald interviewer ran across Mr. L. P. Payne, the Broad street (New York) banker, who is largely identified with southern business and asked him what his views were on election. He said:

"The recent election can only be viewed with pleasure by every patriotic gentleman. I met a prominent representative from one of the Southern states today, and he told me that he felt thrilled i with patriotic ardor and fraternal feeling when he heard of the grand vote which had given the Democratic party victory. be abandoned. As for myself, I had almost despaired of the Republic, and felt that constitutional on the Fourth of March the greenbacks victory of the Democratic party defendliberty was endangered under the military shall no longer be a leg il tender. Every- ing the "essential principles" of constiideas of Grant. Corruption was the rule body would be a boyer. No one would tutional government. and honesty the exception. As sure athe R-publican ticket had been elected produce, merchandise, real estate and is projected by this victory, unimpaired we should have a startling spectacle of other securities would become immediated and undefiled. Grant's ambition; the intrigues of office- ately saleable. All classes of industries The white rice in this State has risen holders and the distribution of patronage for the purpose of favoring the President's | Up to and over the day when the curren- | cy. views would have been a humiliating cy would lose its legal tender character, Pennsylvania once again assumes her spectacle for Republican America. As it ] the great questions agitating the country the legal relations of this currency would has won the gratitude of the people. they can retain the power the people nardly shock the prevalent presperity .-- She salutes her victorious sisters as has been but just to the south. Now let or a check or the bank representing it, Union created and continued by the the south do her duty in all things, and would be taken as before. Precisely as sovereign power of the people of free glorious than ever the sun snone upon.

Jani-burg Patriot, acted wisely in giving ated currency, but that never brings a dered the people; overturned State Legappropriate recognition to the liberal panic or creates a depression in trade - islatures; at up the military over the de nocratic state convention which nom- suspend, for the pressure is then relieved. the States; pro-tituted the judiciary for inated Governor Tilden was made suf- the screws relaxed, and the song le is party schemes; oppossed trade; defiled ficiently comprehensive to enable the ov r. liberals to send delegates to the body.-The consequence was that prominent the circulating medium a depreciated for gold and silver. and influential public men like Dewitt corrency. The first step towards resump C. Littlej hn, William Dorsheimer, and tion will involve no pressure, but, on the penceful victories have most emphaticalothers of like character who had never contrary, will insure against it, and the ly condemned, and have risen up and ac ed with the D macratic parts in their remaining steps, being wholly voluntary, proclaimed that they are the sovereign lives, were sent to the convention and participated in its deliberations. But the New York democracy did not stop to found the greenbacks, when off red agents. with an invitation to the liberals to take for this purpose, in a government bond | We have carried the State ticket, elect part in their convention. They conced- hearing, say, 3 65 per cent, interest. The ed attention in inhers of Congress, and ed their allies the second place on their banks might be permitted for a while to have a majority on junt ballot in the state ticket, making Mr. Dorsheimer redeem their issue in either the green Legislature. their candidate for heutenant governor. backs or the bonds thus issued." The liberal course thus pursued by our brethren in New York had undoubtedly would be a natural sequence of this the effect of swelling the Domocratic vote change. Under proper restrictions we in that state especially in the ural dis should tave this as free as the model sys tricts. We are of the opinion that the tem of New York, the issue based only Democrate of Pennsylvania may profit on government bonds and redeemable at from England, and commenced to look by the example. There is a considerable par in Boston, New York or Padadilphia liberal element in this state thich made at the expense of the institutions they fruitless s such the Gazette says, he enits influence f It at the late election. In- represent." deed we owe our late victory in a great "If the Government will lift its hand and inquired for work of the superinmeasure to the independent voters who from the industries of the country and tendent. The latter questioned him askbroke away from the radical organization no longer force its promises into circulating him his name and where he was
