BAD LANGUAGE .- There is as much connection between the words and the thoughts as there is between the thoughts and actions. The latter is only the expression of the former, but they have power to react upon the soul and leave the stain of corruption there. A young man who allows himself to use one vulgar or profane word, has not only shown that there is a foul spot upon his mind, but by the appearance of that one word he extends that spot and inflames, it till, by indulgence it will pollute and ruin the soul. Be careful of your words as of your thoughts. If you can control the tongue instifiable, which seem to promise success.
