Our young triend, M. A. Lyon, whose man risge notice appears in this issue, commence Appointment. married life in the right way, by handing u \$2.00 to pay for the DEMOCRAT for Sne year .-Success to him and his bride. ...Saturday night last was the coldest night of the seasen. On Bunday morning the ther-

mometer was about 16 degrees below zero .--On Saturday at 2 o'clock p. m., it was 20 degrees above, and at 4 o'clock, just awo hours after, it stood at zero. A very sudden transit.

... A box of clothing etc. etc. is being prepared by J. R. Lyons, for the Kansas suffers. All who will contribute can leave their donations with him, and they will be duly forwarded. We ought to thank God that our families are not as other families are not in a Pharisaica? way. but by some practical manner in relieving the distress of suffering, freezing and starving fam illes in the West.

The entertainment given by the ladies of St. Paul's church, at Azur Lathrop's resi dence on Thursday evening last, was a very pleasant one to all present. There was con aderable talent for the "stage"brought out by it which was left wholly undeveloped by the Old Folk's concert. The entertainment consisted of tableaux, charades and music. Mr. and Mrs Lathrop have the sincere thanks of th ladics for the use of their house.

... "The Montrose DEMOCRAT is enlarged t about the size it was twelve or fifteen years ago. It now contains perhaps nearly two thirds as much reading matter as the Independent Re-publican." - Montrose Republican.

We have the same press that the DEMOCRAT ground that they are not required to do so unwas printed upon "twelve or fitteen years ago," der the election law passed by the Legislature and the DEMOCRAT of 1874 was 'the largest last winter. In Philadelphia it has been decidform that it is possible to print upon that press ed by Judge Allison that he had no power to A. J. Gerritson, the editor at that time, must compel an assessor to perform any act not exhave "stretched it" a little in the same manner pressly enjoined uqon him by the act of assemthat Homer has the above kind notice of our bly, and that, as it provides only for the reguimprovement. We are sorry for Humer's lar assessment in June, and the correction of the list previous to the November election, the CRAT of that date now in Montrose. The Recourt was powerless to act in the matter. He publican has our thanks for the above notice also expressed the opinion that the assessor and we will freely excuse the discrepencies uphave no right to assess any citizen, at any othon the ground, that its editor "sticks so close to his business" in regard to the DEMOCRAT er time, or in any other way than those expressly pointed out in the act of assembly, and its editor, that it excels our most sanguin expectations. decision of the question of the power and duty

From Brooklyn-Good time for blacksmiths.

Too thin-the beautiful snow.

Any man that owns two dogs seems to b respected, it he has but one he is rather of a vember election. doubtful character, and if he has not any it is hard work for him to vote.

The concert given by Mrs. Labarr in the M. municipal election in February of those per E. church was moderately stiended. The prosons who possess all other qualifications of vo gramme was carried out to the satisfacton o all present. Mrs. Labarr is a singer of merit. The merchants in this town are doing a good two years paid State or county tax. business. When you come right down to dealers, men that understand their business and Springville and Dimock. know how to wart upon people, Brooklyn is far above the average.

The Brooklyn Cornet Band has secured th services of Prof. H. E. Cogswell, of Binghamton, N. Y., for one year. Mr. Cogswell thoroughly understands his business On the cornet, he has few equals. He has organized an

het, he has few equals. He has organized an Orchestra Band which under his leadership Cannot fail to become first class.
A good school building is very much needed to Brooklyn. A good school is second to nother tight busis. It keeps the young men at home to be clucated and also their money is left incheir own to assist in its improvement. If you de site to drive the young men at home to be finest dairy of cows in Dimock is building a very fine sine day the schools is good school is good the finest dairy of cows in Dimock is building a very fine to drive the young men at down our down to herest dairy of cows in Dimock is building a very fine shores, but sadly in need of schools.
