broad trail with the fury of a tornado .-- | Vhell, vhell. But the issue would rest mostly with the

Needs Shingling.

Mr. Mudge, of Jeralemon steet, married young. Naturally he is as bald as a newly varnished Dutch cheese; and he is as sensitive and ugly about it as was Elisha the prophet-of the bear story.-On Sunday morning he and his younges -little Johny Mudge-were sitting in the family pew taking in the gems of ora-tory that flowed from the distinguished pulpit, when the divine happened to drop

the somewhat worn proposition that "this body is not ourseli-it is only the fierce house we live m." Little Johny, wishing to create an im-

pression that he was properly appreciad-"Pap, your house wants shingling!"

alluding to the matter, as it was the holy Sabbath day, but he went out and hun on my horse's neck. The ruffains yelled ted up a barrel stave which he furtively

subject.

polite and obliging on the horse cars, waiving his claim to a seat with a self abnegation beyond his years.

"She is a perfect Amazon," said a pupil in one of our schools of his teacher border yell, and I knew by the, quicker raphy than history, "I noticed she had twenty years ago, and which was probably oontemporaneous with your first love ! Ah ! that

is our teacher.

a matter of experience. That is to say, retitress, and I shall not kiss you, who are only a Und I said I dunno, and he said Mr. tress, and I shall not kiss you, who are only a ing to rest at a reasonable, carly hour, such as Peecher hired a man to blow up a church dutchess?" and despite the resistance of the 10 o'clock, the person should rise as early as proud little Portugese princess he kissed her three times squarely in the mouth. Voltaire was once publicly kissed by the young and lovely Countess de Villars, who was compelled to this salute by the closury in the transformation of the matrice o to this salute by the claquers in the pit, who were man with enthusiasm over the great writthe non-use of feather beds or too much cloth-Georgiana, duchess of Devonshire, gave Steele,

There is much virtue in a kiss when well de-

FIRST PLEASURES.

that should not be tolerated.

ing. They are less, however, than those which result from a nervous system, exhausted at a a butcher, a kiss for a vote, and another lady, period of the day before it had come into full equally beautiful, Jane, duchess of Gordon, reactivity. The same arguments which apply to cruited a regiment in a similar manner. She early rising also do so to exertions, or continuwas in the habit of putting a shilling between ance without food by weak individuals in the her teeth, the sum usually handed recruits to bind the bargain, and inviting any man who first part of the mornig; they can practice neither with impunity. There is no time of the filled the physical requirements of a soldier to day so pleasant, and the hale and strong can enjoy it to perfection, and gather health in its fresh breezes, and their description will

often tempt the unwary invalid to leave his couch and follow the example, and he really does enjoy, for a short time, the novelty but shortly languor creens over him : the breakfast which disappears before the appetite of the strong morning walker has no charms for his exhausted weaker companion, who pays with a day of listless languor for this i'l-advised attempt. These hints will, it is trusted, not be taken as an encouragement to laziness, but as pointing out a very common error in popular

belief and popular practice. The person of weak vital power, who cannot be an early riser, must guard well that he does not mistake of shyness when a kiss is proposed, but it should sloth for inability by indulging in late hours. not be too long, and when the fair one gives it, which are often to him the most vigorous,---Persons who suffer much from debility in the morning, and who are constrained to be up early, ought, as soon as possible, to have some warm refreshment-a cup of warm milk, if it a kiss, but give it as a humming-bird runs his agrees, or tea, coffee, or cocoa. bill into a honcysuckle-dcep but dellcate.

an a ser a PROVERBS REFUTED.

livered. We have the memory of one received It has been said of old that "A bird in the in our youth which lasted us forty years, and we believe it shall be one of the last things we hand is worth two in the bush." Try it. Take shall think of when we die. It will be seen a bird (any bird will do) in your hand, and hold it securely, then take a passage in the first vesfrom the above extracts that kissing is no new. fungled luxury, but is uncient and venerable, sel you can find (any vessel will do) and procoming down from the fathers. Any attempt, ceed to the Antipodes, still retaining the bird in the hand, where the bush is supposed to be. therefore, to do away with it, is a plain assault upon our libertics, and a rascally innovation When you arrive, examine the bird which you have in your hand and compare it with any two birds you can find in the bush. Estimate their relative value. You will find that the

proverb has led you astray. Truly, novelty is the spice of life. No sec-

Again. It has been said that "It is the last ondary sensations are like the primaries, and traw that breaks the camel's back." Imprimhabit, in the end, stales every luxury. Repetiis, how long would a man go about until ha had satisfied himself that he had for, 1d the last pleasures as with sparkling wines-you can straw? But we will grant; for the sake of arrument, that the last straw has been found .--Now take your camel (any camel will do) and cautiously deposit that straw upon the camel's pack, and carefully observe whether the spino

of that quadruped is dislocated. It is to be imagined not. How then this proverb ? Once more. It has been spoken, and writ-It was a cheap affair, always at olds with the ten, that if you "Take care of the pence, the now rests in your pocket is of the finest work- pounds will take care of themselves." Make correct time, and the gold hunting case that the experiment. Take pence (say three pence) manship, richly jeweled. But what a contrast and place them in your purse, and put your ultation of boyhood marks the exhibition of purse in your pocket. Button your pocket, if your respective treasures. The full beard which your pocket is buttonable ; or deposit the three graces your maturity fails now to excite the pence with your banker, or invest them in a you first regarded the incipient moustache of body's sovereign will do) and place it carefully on the pavement (the center of a coal plate is not a bad spot,) and after retiring up the stage and "dissembling," observe how that sovereign as Jack clambers on your knew, those thrilling will take care of itself.-Punch

An editor in New Jorsey brings delinquent ubscribers to his counter in lively order by publishing oblituary notices of them. When they have paid up arrears he contradicts the
