It is a liquid Linament for House and stable use. A valuable combination, discovered by a celebrated Mag-is shehemist and horse-farrier. Was introduced in the United Sates in the year 1854, and since that time, by its great success, in the cure of diseases, it has won for itself that world wide reputation it so richly des-erves, and now stands at the head of all linaments un-rivalled.

It has already gained the confidence and admiration of thousands of households for its many cures of diseases were external applications are of se much impossance. It is especially admired as a family remedy for its peculiar chemical combination, possesting no hareking rediseats, [like theture of Caysane or red-pepper, or which cheap and valuess blaiments are largely composed,] which increase instead of diminish the inflamation, making it oy nature a speedy cure for AHRUMATISM, HEADACHE, SORE THROAT, COLIC, COUGHS, CHOLERA, TOOTHACHE, BRUISES, SPRAINS, LUMBAGO, CRAMPS, COLDS, CHILLS, PHOST, TIC DOLOR-EUX, BURNS, CUTS, SITES OF POISONOUS INSECTS, &c.
