Ayer's SARSAPARILLA.

Scrophulous and Scrophulous Diseases. From Every Editor. From Every Editor. From Every Editor. From Every Editor. From Every Editor.

"I have sold large quantities of your SARSAPARILLA, but never yet seen a bottle which failed to produce effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our country."

Eruptions, Pimples, Blisters, Pustules, Ulcers, Sores, and all Diseases of the Skin. From Rev. Robt. Stratton, Bristol, England. "I only do my duty to you and the public when I add my testimony to this wonderful medicine. My daughter, aged ten, had an itching humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. Janet E. ... "My daughter has suffered for a year past with a scrophulous eruption which was very distressing. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."

From Charles P. ... "I had for several years a very troublesome eruption in my face, which grew gradually worse until it distressed my features and became an intolerable affliction. I tried almost every thing a man could do of both advice and medicine, but without relief whatever, until I took your SARSAPARILLA. It immediately made my face fresh, as you told me it might be a few days in a few weeks, and my skin began to form under the clothes, and continued until my face is as smooth as any body's, and I am without any symptoms of scrophulous. I know of it. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Erysipelas—General Debility—Purify the Blood. From Dr. Robt. Searle, Hoston, Pa., New York. "Dr. AYER, I sell your SARSAPARILLA to remove Erysipelas and Scrophulous Sore by the prescreeing use of your SARSAPARILLA, and have just now cured a case of Malignant Erysipelas with it. No alternative medicine afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."

From J. E. Johnston, Esq., Hildon, Ohio. "For twelve years I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took many docts of various worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and soon my arm was well and sound as my body. Being in a public place, my case is known to every body in this community, and excites the wonder of all who know of it. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

From Hon. Henry Moore, M. P., of Vermont, C. W., a leading member of the Canadian Parliament. "I have used your SARSAPARILLA in my family for general debility, and for purifying the blood, with very beneficial results, and feel confident in recommending it to the afflicted."

St. Anthony's Fire, Ross, Salt Rheum, Sore Head, Sore Eyes. From Harvey Hillier, Esq., the able editor of the "Punabrock Freeman, Farquhar, Ontario." "Our only child, about three years of age, was attacked by scrophulous on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skillful physician applied a course of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his face. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and within the space of a few days, the sore began to heal, and was well when we had given the first bottle, and was well when we had finished the second. The child's eyes, which had been out, grew again, and he is now as healthy and fair as any other. The whole neighborhood pronounced that the child must die."

Syphilis and Mercurial Diseases. From Dr. Hiram Stout, of St. Louis, Missouri. "I find your SARSAPARILLA a more efficient remedy for the secondary symptoms of Syphilis, and for syphilis disease than any other we possess. The prognosis are indicated to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts. "Dr. AYER, I have found your SARSAPARILLA an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what you can employ with more certainty of success, where a powerful alternative is required."

From Mrs. S. Van Lee, of New Brunswick, N. J. "I had a distressing sore on my leg, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the relieving use of AYER'S SARSAPARILLA relieved me. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him."

Lecococcus, Whites, Female Weakness, are generally produced by internal disease, and cured by the use of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the direct application of local remedies.

From the well-known and widely-celebrated Dr. Jacob Moritt, of Cincinnati. "I have found your SARSAPARILLA an excellent alternative in disease of females. Many cases of Irritability, Leucorrhoea, Internal Flours, and local debility arising from the scrophulous, have yielded to it, and there are few that do not when the effect is properly aided by local treatment. A lady, unwilling to allow the publication of her name, writes:

"My daughter and myself have been used of a very debilitating Leucorrhoea of long standing, by two bottles of your SARSAPARILLA."

Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia, when caused by Scrophulous in the system, are rapidly cured by this EXR. SARSAPARILLA.

AYER'S CATHARTIC PILLS

possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they can be depended on to do all that they have ever done.

Prepared by J. C. AYER, M. D., & Co., Lowell, Mass., and sold by
