CONCERT - The Soldiers' Orphans from the School at McAlistersville will tend. The boys will drill in the Court Yard for half an hour previous. Dr. and speeches of the children. Programme of the exercises will be made known.

THE PRESBYTSRIAN SUNDAY SCHOOL Crigoration.-The annual celebration of the Presbyterian Sunday School of this town held in Schweier's Woods above tiwn on Saturday hist. We had the pleasure of attending and enjoyed it very much. Abbresses were delivered by Revs. M. Allison and E. W. Kirby. A sumptous dinner was prepared and gether it was a very fine affair. The little bages. Price 50 cents. Ticknor & 10 A.M. Terms: CASH in United States the boys and girls played "ring" &c. to Fields, Boston Mass. their heart's content-and if we remember correctly some older children got mixed in and enjoyed it about as well. We view published at Gettysburg in its July were giad to see this as it afforded that No contains a very fine article on Presirural recreation, innocent amusement and dent Lincoln; also an article by Hon. Ed social intercourse so productive of bodily McPherson; and a very able article of health and good feeling.

thanks to D. A. Notestine, of Richmond tracts from these articles before our read for two 100 dollar notes of the Green ers. back species. They are decidedly the THE NEW PHYSICIAN - By referring mitate our greenbacks closely. If the that Dr S. O. Kempfer has located in copperheads get in power some day they this place. We have but little acquain will call in these notes of their erring tance with the gentleman, but know that brethren. At present they are like the he has been a successful practitioner for a democracy, below par, beyond redemp number of years, and his reputation justion, still going downward, with a good tifies us in commending him to the com prospect of final -reader you may judge munity. See his Card. for yourself "where they will die when they go tc."

READ THIS .- A dilapidated side walk, a rickety fence, a clumsy gate, and other outward slovenliness are the sure evidences of sloth or avarice within, out the mules were all detained in the Spirit of which neither lomestic happiness nor personal felicity ever grow. If all the fathers. citizens of Mifflintown were only to give only a small portion of the time usually, devoted to idleness, to enhancing the beauty and cleanliness of the outward appearance of their homes, Mifflintown would soon become much more attractive than it is at present.

abusive article against Mr. Myers P. M. Bell, of a visit to the Orphan School at at Thompsontown. It is not our province to defend Mr. Myers—we do not Kempfer also accompanied the expeknow that he needs it—but if we were in dition. It was a pleasant trip and enjoy-his shoes such an unmannerly, libellous ed by all. and scandalous assault would not go unpunished. But what we were going to say is this : If the Democrat has no com- thanks to Hon. Ed. McPherson for a copy plaint from other offices, it fares better of his Discourse bearing this title. It is than we do. We have complaints, deep loud, from a majority of the offices in the county. Persons at Oakland and Walnut and several other offices have also discon. gentleman is readable, interesting and tinued their papers because they fail to profitable. get them. Surely the Postmasters were not influenced against as politically. We Often we know other people lift papers Union to inaugurate a reign of terror papers and yet not pay for them. It would ill become us to say that postmas counts of fires, in nearly every case the

est spot is back of the buildings, and several acres have never been known to be under water, even during the highest floods. There is enough of terra firma to battle ground of the Indiaus, as a great many arrows and other relies are found touch at the point of the Island, however we observe that "the everlasting pine squirrel" and some other animiles find their way upon it without a bridge. As there is no "mellon patch" on it this summer, we presume there will be no noctu rnal prowlers haunting its shores, as

A VALUABLE NEW BOOK -- We are not in the habit of publishing trashy stories nor praising such things unless we know the work deserves it. What we say now, we mean and speak thereof we know. We have before us a book called the Field, the Dungeon and the Escape, hold a Concert in the Lutheran Church by A. D. Richardson correspondent of in this place on Thursday evening next the New York Tribine, who was capturat 7 o'clock. Everybody is invited to at ed at Vicksburg, who gives a reliable account of his experience trials and sufferings. It is decidedly the most readable and interesting, and the best gotten up Burrowes, of Lancaster, State Superin- book we have yet seen relating to the sondant and Col. McFarland will make war. It gives us a chapter no where else remarks in connection with the singing to be obtained. Its perusal will please any one. Order it at Mr. Weidman's there will be sold, at public auction, to the Book Store and if you do not agree with us -then tell us we know nething about books. It is printed by the American TWO HUNDRED SERVICEABLE MULES. Publishing Company, Hartford, Conn.

has been the case in other days.

NATIONAL LYRICS. - This is the title of the third book in the series of "Companion Poets for the People" heretotore panton Poets for the People heretofore ercise, gentle and familiar from being so long noticed in our columns. They are the surrounded by the soldiers productions of John G. Whittier the "abolition poet" (who ever heard of a poet who sung of the blessings of slavery?

PROSPECTUS

IMPORTANT NOTICE.

THE "PORT ROTAL OIL COMPANY." having leased two tracts of very superior Oil lands in Dunkard township, Greene County, Pa., both upon one of which they are sinking a wellhave concluded to bore a second well, with which there will be connected thirteen acres of land, about twelve of which can be bored | Books sold, trance into Dunkard Creek, and about one and

and must ever attract the young student. At a distance of 4 few hundred yards from on it even to this day. It is a wonder that when the bridge over the river was first made, that it was not made so as to The Government Printing office made have good isdications of oil. The Port Roybut tailed—when the SENTINEL got at it others are to be commenced soon further up the Horses came right along. N. B. the stream. The other tract will contain ten the Horses came right along. N. B. the stream reads all of which is beginn territory. acres nearly all of which is boring territory, and without doubt first class oil land, situat-ICE CREAM -Mrs. Reese in Patterson ed on Crooked Run, about one mile from Dunkard-Creek, and the same distance from the Taylor Fell, in which they have struck oil, and are now preparing to pump, and about one and a half miles from the Maple Farm. The term of lease in both cases is twenty years, one-fourth royalty, with coal Hackenberger. Try it.

Weally years, one-to-me to be commenced and prosecuted at the pleasure of the operators without canger of forfeiture. The company without sanger of forfeiture. The company will produce a first class oil engine and good boring tools, and will put up the necessary buildings in a substantial, durable and workmanlike style, prosecute the work with all possible dispatch, and will commence the work as soon as the shares are all taken.

The Number of Shares Will be 125, at \$100 Each.

The Stockholders will have the privilege of selecting their own officers, and taking and see the Soldiers' Orphans well into their own hands as soon as it is bored; and if they wish, by consent of the majority can make further assessments on their stock and hore other wells: An assessment of 40 per cent, will bore two additional wells after the engine, necessary tools, and the territery is once procured.

There is now no longer any doubt of the existence of vast deposits of oil in the Dunkard Creek oil region, from the fact that a number of fine yielding wells have been obtained, such as the

WILY NOS 1 AND 2, CRAMER, ST. CLAIR, CONTINENTAL, FULLER, LUCAS, DUNKARD, WCLURE, ROSS, NO. 1, AND OTHERS.

Boring for oil is going on actively along Dunkard Creek for a distance of some 20 to 30 miles. Several hundred thousand dollars of Pensylvania. New York and Ohio capital. has been devoted to the development of oil lands in this section of country, and "oil strikes" are of frequent occurrence. The oil ebtained is of a very supresor quality. and is used for lubricating purposes. It is without doubt the FINEST OIL FOUND IN WEST-FRN PENNSTLVANIA. Vast beds of bitumin-ens coal underlie the whole country and is easily obtained. The geological structure of the country, the vast beds of superior bitum-mous coal, and the large quantities of oil already produced, certaintly prove the Dunkard Region to be very prolific in oil, and the persevering seekers after oleaginous wealth in that quarter, will undoubedtly be crowned with

BS. Persons desiring shares in the DEEP REN OIL WILL, will please forward their as shall be deemed most desirable names to John M. Kepnen, Treasurer of the TERMS.—Cash on confirmation Port Royal Oil Company, at Porrysville, or to the Court.
