REMEMBER, REMEMBER, REMEMBER. That the Democratic party voted last August a year to drive the soldiers in the same position as the negroes, who have no votes.

REMEMBER, REMEMBER, REMEMBER. That the Democratic party is in favor of repudiation, and want to cheat you out of every greenback or government bond you hold.

REMEMBER, REMEMBER, REMEMBER. That had it not been for the leaders and presses of the Democratic party, the war would have been over long before it was.

REMEMBER, REMEMBER, REMEMBER. That in consequence of the course of the Democratic leaders, the war was prolonged and that the Democratic party is responsible for the large public debt and taxation.

REMEMBER, REMEMBER, REMEMBER. That no loyal man or soldier ought to vote for such a party, or aid in bringing into power again, when they may attempt to get up another rebellion.

REMEMBER, REMEMBER, REMEMBER. That the Copperhead party are in favor of repudiating the National Debt. Every poor person who has a government bond or a five dollar greenback, should vote next Tuesday against the party who wants to cheat him out of his hard earnings.

REMEMBER, REMEMBER, REMEMBER. That no sneak or deserter has a right to vote next Tuesday. Every election officer who takes his vote will be guilty of perjury, and will be liable to prosecution, and he will be prosecuted. So, look out and save yourself from heavy fine and imprisonment.
