The peculiar talent of infection which we call SCROFULA lurks in the constitutions of multitudes of men. It either produces or is produced by an unbalanced, vitiated state of the blood, wherein that fluid becomes incompetent to sustain the vital forces in their vigor and action, and leaves the system to fall into disorder and decay. The scrofulous contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, filth and filthy habits, the depressing vices, and above all, by the venereal infection. Whatever be its origin, it is hereditary in its nature, descending "from parents to children" into the third and fourth generation; indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children." The disease it originates take various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the glands, swellings which suppurate and become ulcerous sores; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, eruptive and cutaneous affections. These, all having the same origin, require the same remedy, viz., purification and invigoration of the blood. Purify the blood and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh" healthy, you cannot have scrofulous disease.

Ayer's Sarsaparilla is compounded from the most effectual antidotes that medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does combine virtues truly extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: King's Evil, or Glandular Swellings, Tumors, Eruptions, Pimples, Blisters and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weaknesses, and, indeed, the whole series of complaints that arise from impurity of the blood. Minute portions of individual cases may be found in Ayer's Almanac, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. Those cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of **AYER'S SARSAPARILLA**, although it is composed of ingredients, some of which exceed the best of Sarsaparilla in alternative power. By its aid you may protect yourself from the suffering and danger of these distempers. Purge out the foul corruptions that rot and fester in the blood, purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers which lurk within the system or burst out on any part of it.

We know the public have been deceived by many compounds of Sarsaparilla, that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting disease it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

AYER'S CHERRY PECTORAL.
 The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease.

This has been so long used and so universally known, that we need do no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done.

The Long Looked For—Come at Last
THE CELEBRATED
Florence Sewing Machine.

This machine is the most perfect instrument to execute any kind of sewing now done by machinery in the world. It is simple and perfect in its mechanical construction. The feed may be reversed at any point desired without stopping, which is a great advantage in fastening the end of seams.

It makes **FOUR DIFFERENT STITCHES**, Lock, Knot, Double Lock, Double Knot, each stitch perfect and alike on both sides of the fabric.

Operators can select any stitch they want and change from one stitch to another without stopping the machine.

Its stitches cannot be excelled for firmness, elasticity, durability and beauty of finish. No difficulty experienced in sewing across thick seams.

Sews light and heavy fabrics with equal facility. It will Sew, Quilt, Quill, Cord, hem, Fill, Bind, Gather, and do all kinds of Stitches required by families and manufacturers. The work will feel either to the right or left, without stopping the machine.

The most inexperienced find no difficulty in using it. It is thoroughly practical and easily understood. It has no springs to get out of order, and will last a lifetime.

It runs easily, and is almost noiseless. It is the most rapid sewer in the world; making five stitches in each revolution. It uses the same size thread on both sides of the fabric.

It is no dress, all its machinery being on top of the table.

Every machine is warranted to give entire satisfaction, and to do all that is claimed for it. Miss **CAROLINE E. STAMBAUGH** is the agent for this country. By calling at her residence on Main Street, Milltown, one of these machines can be seen in operation.
