That peculiar taint of infection which we call SCROFULA lurks in the constitutions of multitudes of men. It either produces or is produced by an enfeebled, vitiated state of the blood, whereby that fluid becomes incompetent to sustain the vital forces in their vigorous action, and leaves the system to fall into disorder and decay. The scrofulous contamination is variously caused by: mercurial disease, long living, disordered digestion from indigestible food, impure air, filth and filthy habits, the depressing vice, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children" to the third and fourth generation; indeed, it seems to be the root of all the evils which visit the iniquities of the fathers upon their children. The disease it originates like various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the glands, swellings which suppurate and become ulcers; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, eruptive and cutaneous affections. These, all having the same origin, require the same remedy, viz., purification and invigoration of the blood. Purify the blood, and these dangerous distempers leave you. With food, or corrupted blood, you cannot have health; with that "taint of the flesh" healthy, you cannot have scrofulous disease.

Ayer's Sarsaparilla is compounded from the most effectual antidotes that medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it cures scrofulous diseases truly extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: King's Evil, or Glandular Swellings, Tumors, Eruptions, Pimples, Blotches and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tubercular deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weaknesses, and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in Ayer's AMERICAN ALMANAC, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. Those cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of AYER'S SARSAPARILLA, although it is composed of ingredients, some of which exceed the best of Sarsaparilla in alternative power. By its aid you may protect yourself from the suffering and danger of these disorders. Purge out the foul corruptions that rot and fester in the blood, purge out the causes of disease, and vigorous health will follow. By its powerful virtues this remedy stimulates the vital functions, and thus expels the distempers which lurk within the system or burst out on any part of it.

We know the public have been deceived by many counterfeits, and that they have been deceived and not doing; they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from the one which has been before the people, and is far more effective than any other which has ever been available to them.

AYER'S CHERRY PECTORAL.

The World's Great Remedy for Coughs, Colds, Whooping Cough, Consumption, and for the relief of Consumptive patients in advanced stages of the disease.
 This has been so long used and so universally known, that we need do no more than assure the public that its quality is kept up to the best it ever has been, and that it is as reliable as ever for its cure.
