

The Juniata Sentinel. WEDNESDAY MORNING, January 31, 1896. TOWN AND COUNTRY.

BUY THE BEST.—We mean the best Cigars WEIDMAN keeps the best, as he does of everything else. Whenever you want a good article, and cheap, go to Weidman, he keeps the best of everything, such as Books, Stationery, Cigars, Tobacco, Fancy Soap, and a large variety of Fancy Articles.

CANCEL YOUR STAMPS.—The Commissioner of Internal Revenue has published a circular, wherein he directs that all stamps must be cancelled by placing the initials of the person executing the instrument, together with the date. It is not enough to make a cross or any other mark to deface them. Business men should make a note of this.

Rev. W. Y. Brown, of Ohio, has accepted a call from the Presbyterian Congregation of Perryville, and will assume the duties of his charge on Sunday February 18th at 10 o'clock. This Church has been without a pastor for a period of two years. Rev. Brown is a very able Divine. We wish him abundant success in his new field of labor.

COUNTERFEIT QUARTERS.—A new counterfeit of the twenty five cent fractional currency is in circulation in Philadelphia and other Eastern cities, and may be expected to make its appearance here very soon—if it has not already done so. In this counterfeit Mr. Fessenden is adorned with a breast-pin, which does not appear in the genuine. The engraving of the vignette is very imperfect.

RAILROAD ACCIDENT.—We are pained to chronicle the death of Mr. Hubert Barton, an employee on the Pennsylvania Railroad. While the train was in motion he was running forward on the top of the cars, and was struck by a bridge at Manayunk, killing him instantly. Mr. Barton was a member of the 49th P. V. in which Regiment he served his country faithfully for three years, and was honorably discharged.

The following is a gentle hint, and can take application heretofore:— "Do not forget that it costs something to 'puff,' as well as to advertise, and never sponge upon a printer in any way whatever. It is the printer's ink that makes nine-tenths of your fortune; it takes money to buy ink, type and paper, and yet after all this few are the thanks that the printer gets. Give the printers fair play, and give up all expectations of gratuitous puffing, &c., and come down with a remuneration."

Persons are often times annoyed, by parents learning their children to kiss every stranger who happens to come in contact with them, kissing babies is often times very disagreeable business. Parents should remember that it matters not how sweet the dear little cherub is to them, to the world at large it appears like other babies. We would say to parents, in the words of a lady friend, "they will learn the art of kissing soon enough, especially if they are GIRLS!"

REMEDY FOR FROST BITES.—The following recipe for frost bites has been used in Germany for a number of years with the most beneficial effects: Twenty four ounces of mutton tallow, twenty four ounces of hog's lard, four ounces peroxide of iron, (red iron dust,) four ounces of Venice turpentine, two ounces oil of bergamot, two ounces bole Armical, rubbed to a paste with olive oil. Heat together the tallow, lard and iron dust, in an iron kettle, stirring with an iron spoon constantly till the mass assumes a perfectly black color; then add gradually the other ingredients, stirring till well mixed. It is applied upon linen daily, and its effect upon even the most painful frost sore is most extraordinary.

We commend to the special attention of our readers, that valuable journal for the Household, the Children, the Garden, the Orchard, and the Farm, viz: the American Agriculturist, published by ORANGE JUDD & Co., 41 Park Row, New York City. It is only \$1.50 a year. It is full of good things, useful to every person, no matter where his residence, or what his occupation. We learn that the present volume (26th) opens with an increase of more than twenty thousand subscribers. The paper itself, good as it has hitherto been, is greatly increased in size, appearance, and intrinsic value.— A dollar and a half can scarcely be better invested.— Send on your subscriptions to the Publishers, as above. The first number of this volume contains 40 pages and can be obtained, as a specimen, on receiving 15 cents to the publisher.

SCARCITY OF HOMES.—Never were dwelling houses in our borough in better demand than now. We hear of a large number of families who would move to this place if the houses could be had.— All houses for rent are engaged. Let's hurry up that Building Association.

SPEAKS FOR ITSELF.—The following letter from Judge Rose of Altoona, to B. M. Greene, in regard to the Piano purchased of him speaks for itself:—

ALTOONA, January 20, 1896. B. M. GREENE, Esq.—Dear Sir,—Allow me to express to you my entire satisfaction with the Steinway & Son's Piano, purchased of you last March.—As far as I am able to judge it combines all the necessary requisites of a perfect instrument. Quite a number of performers have tried it, and ALL pronounce Steinway & Son's as UNEQUALLED. I have not the least hesitation in recommending their make as the best, and hope those of my friends who desire a good article may give you a call.

These splendid Pianos and also Mason & Hamlin's Cabinet Organs, can be seen at Mr. Greene's Music Store Huntingdon, Pa. Mr. Greene is the sole agent for this county, and persons wishing a good instrument should not fail to give him a call, or send for a circular.

GRAND PRIZE.—The American Statesman offers a Prize of one of Wheeler and Wilson's best \$55.00 Sewing Machines for every Club of Forty Subscribers or will allow on the price of the Machine, one dollar for every subscriber obtained.

This presents a splendid opportunity to obtain one of these valuable machines without other cost than a little effort.—The Statesman is fast becoming one of the most widely known and valuable papers published; having already reached a circulation over 50,000 copies weekly. It is an invaluable sheet to the advertising community as well as its readers.—Its publishers possess a spirit of enterprise that allow none to excel them.—Published weekly at \$1.50 per year, at 67 Nassau Street, New York.

BUILDING ASSOCIATION.—The citizens of Mifflin and Patterson, met in the Court House on last Saturday evening, for the purpose of organizing a Building Association. The meeting was organized by electing A. Sandoe, Chairman, and B. S. Cook and A. H. Weidman, Secretaries. The President stated that the object of the meeting is to form ourselves into an association for the purpose of erecting Dwelling Houses in the borough.

The following gentlemen gave their views as to the best method of conducting an association of the kind proposed: Messrs. H. Stambaugh, E. W. H. Kreider, A. H. Martin, Dr. Kaempfer and B. S. Cook; after which a motion was made to appoint a committee of five to draw up a plan or arrangement for the management of said association. The chair made the following appointment: A. H. Martin, A. Sandoe, B. S. Cook, T. R. McClellan and A. H. Weidman. On motion adjourned to Saturday evening, February 3, 1896.

A. SANDOE, Pres. B. S. COOK, Sec. A. H. WEIDMAN, Sec.
