LOYALTY IN VIRGINIA -Rev. Je sph A. Ross, who, for several years past, has officiated as chaplain at Carlisle barracks, recently went to Louden county, Va., to preach the gospel. The rebels became Mar. ffended at having a northern preacher discoursing in their midst, and on Sun. Mar day. 14th ult., as the Nev. gentleman was proceeding to fill an appointment, Mar. 6, Samuel Adams, dec'd., Walker several Johnnies, armed with pistols, anet and threatened to kill him if he would not take an oath to leave the State, but he refused. They then demanded his pocket book which was handed over, and finally Mr. Ross was allowed to pro reed. Such is loyalty in Virginia.

Ben We would call the attention of our readers to the fact that Davis & Carpen ter, of Thompsontown, this county have Feb. 14, James B. Souder, Patterson purchased the exclusive right of Brough. er, Hammer & Middleton's Excelsion Broom Head or Wrapper, for Juniata and Mifflin counties. Parties desirous of Feb. 16 G. W. Kraus, Fermanagh twp. purchasing township rights, would do well do well to call soon. The Broom Head Feb. or Wrapper, needs only to be exhibited to bousekeepers to effect a sale. We can Feb. 20, Ephraim Sieber, Fermanagh tp., recommend it as worth ten times its cost If you want to make money, we would Feb. 22, John Christy, Fermanagh twp. say, buy a township right. Address, Davis & Carpenter, Thompsentown, Pa.

WHISKEY AND NEWSPAPERS - A glass of whiskey is manufactured from perhaps a dozen grains of corn, the value of which is too small to be estimated A glass of this mixture sells for a dime, and if of a good brand is considered well worth the money. It is drank in a minute or two. It fires the brain, sharpens the appetite, March 2, Wm. Whitson Fermanagh twp, deranges and weakens the physical system. On the same side board on which the delterious beverage is served lies a newspaper. It is covered with half a suillion of types-it brings intelligence from the four quarters of the globe. The newspaper cost less than the glass of grog -the juice of a few grains of corn-but it is no less strange than true that there are a large number of people who think corn jaice cheap and newspapers dear.

Those who wish to enlist in the enterprise will address the AMERICAN STATESMAN. Office, son of John U. and Jane Hamilton, aged 6 67. Nassue Street, New York.

VALENTINE DAY .- The 14th of Feb. ruary is St. Valentine's Day. On this day it is said the birds select their mates, and every lover sends to his sweetheart some token of his esteem, consequently many of our young friends will be looking for "their Valentines." To all such, we would say, go to Weidman's and make your selections from his new stock. It is the largest and best selected in the
