THE CELEBRATED

Florence Sewing Machine.

This machine is the most perfect instrument to execute any kind of sewing now done by machinery in the world. It is simple and perfect in its mechanical construction. The feed may be reversed at any point desired without stopping, which is a great advantage in fastening the end of seams.

It makes FOUR DIFFERENT STITCHES, Lock, Knot, Double Lock, Double Knot, each stitch perfect and alike on both sides of the fabric.

Operators can select any stitch they want and change from one stitch to another without stopping the machine.

Its stitches cannot be excelled for firmness, elasticity, durability and beauty of finish. No difficulty experienced in sewing across thick seams.

Sews light and heavy fabrics with equal facility. It will Sew, Tick, Quilt, Cord, Hem, Fill, Bind, Turn, &c., and so all kinds of stitching required by families and manufacturers. The work will feed either to the right or left without stopping the machine.

The most inexperienced find no difficulty in using it. It is thoroughly practical and easily understood. It has no springs to get out of order, and will last a lifetime.

It runs easily, and is almost noiseless. It is the most rapid sewer in the world; making 300 stitches in each revolution. It uses the same size thread on both sides of the fabric. It will dress, all its machines being on top of the table.

Every machine is warranted to give entire satisfaction, and to do all that is claimed for it. Miss CARBIE E. STAMMAY is the agent for this country. By calling at her residence on Main Street, Millintown, one of these machines can be seen in operation.

Ayer's SARSAPARILLA.

THE WORLD'S GREAT REMEDY FOR Scrofula and Scrofulous Diseases.

From Emory Elder, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree that there has been no medicine like it before in our community."

Eruptions, Pimples, Blisters, Pustules, Ulcers, Sores, and all Diseases of the Skin. From John R. Smith, Stratford, England.

"I only do my duty to you and the public, when I add my testimony to that you publish of the great virtues of your SARSAPARILLA. My daughter, aged ten, had an affecting humor in her eyes, ears, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. J. A. Rice, a well-known and successful lady of Danville, Cape May Co., N.J. "My daughter, aged ten, had an affecting humor in her eyes, ears, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Charles P. Gage, Esq., of the City of New York. "I have used your SARSAPARILLA for a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost every thing a medicine of both advice and medicine but without relief whatever, until I took your SARSAPARILLA. It immediately made my face clear, as you told me it might for a time; but in a few weeks the skin began to form under the surface, and continued until my face is as smooth as any body's. I am now without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Erysipelas—General Debility—Purify the Blood. From Dr. R. M. Smith, Houlton, N. York.

"Dr. AYER. I should feel to remove Erysipelas from my face, and for purifying the blood, I have used your SARSAPARILLA and I have just cured an attack of Malignant Erysipelas with it. It is a powerful and equally efficacious remedy for every kind of skin disease, and for the profession as well as to the people."

From J. E. Johnston, Esq., of Wadsworth, Ohio. "For twelve years, I had the yellow Erysipelas on my right arm, which which time, without all the celebrated physicians I could reach, and took hundreds of dollars worth of medicine. The disease was so bad that the entire arm became swollen and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and the disease was cured. I am now as well and sound as any body. Being a public place, my case is known to every body in this community, and the wonder of all."

From Hon. Henry Moore, M. P. of New York. "I have used your SARSAPARILLA in my family for general debility, and for purifying the blood, with very beneficial results, and feel confident in recommending it to the afflicted."

St. Anthony's Fire, Rump, Salt Rheum, Scald Head, Sore Eyes. From Henry Moore, Esq., of the City of New York.

"Our only child, about three years of age, was attacked with St. Anthony's Fire. It rapidly spread until it formed a large tumor on his face, which covered his face, and actually blinded his eyes for some days. A skilled physician applied nitrate of silver, and other remedies, without any apparent effect. For three days we guarded his hands, lest with them he should tear open the festering sores, and the child was in great distress. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the ointment of iodine, as we directed. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child is now as healthy and as fat as any other. The whole neighborhood predicted that the child must die."

Erysipelas and Mercurotic Disease. From Dr. H. H. Smith, of St. Louis, Missouri. "I find your SARSAPARILLA a more efficient remedy for the secondary symptoms of Syphilis and for syphilitic disease than any other. It is a powerful and equally efficacious remedy for every kind of skin disease, and for the profession as well as to the people."
