

The Juniata Sentinel.

WEDNESDAY MORNING, April 18, 1866. TOWN AND COUNTRY.

Messrs. Caveny and Bear have established themselves in the marble business on Bridge street, Millintown, Pa.

CLAIM AGENTS.—Congress on the 5th unanimously adopted a resolution instructing the Judiciary Committee to report a bill to protect soldiers and sailors being cheated by bogus claim agents.

LOST.—Mr. Daniel Pannebaker, of our borough, when out riding on Saturday morning last, a short distance above town, lost his pocket book containing about fifteen dollars and some valuable papers.

POOR HOUSE ELECTION.—We were in error last week in stating that the election relative to a poor house in this county would be held on the 1st of May.

MULTIPLIATED CURRENCY.—A great many persons are at a loss to know how to dispose of the ragged and mutilated currency that accumulates on their hands.

The Juniata Republican of last week indulges in the most violent abuse of Mr. A. B. Halteman, Post Master, at Coalsburg. Mr. Halteman simply discharged his duty by returning to the publishers copies of that paper that were refused by the persons to whom they were sent.

SOLDIERS TAKE NOTICE.—By a recent Act of Assembly of the State of Pennsylvania, the time for filing claims against the State for services rendered in the Pennsylvania Reserve Corps has been extended to March, 1867.

BANKS.—The failure of Culver, Penn & Co. has seriously crippled several banks in the North-western part of the State, and their notes are refused by bankers generally.

GEARY CLUB.—A meeting of the citizens of Millintown and vicinity was held in the Court House, in this borough, on Saturday evening last for the purpose of forming a Geary Club.

On motion of Capt. H. H. Wilson, the meeting was called to order by electing Col. J. K. Robison, President, Capt. A. H. Martin and C. McClellan, Vice Presidents, and E. W. H. Kreider, Secretary.

On motion of W. W. Davis, a Committee of five were appointed to prepare a Constitution and By Laws, consisting of Capt. C. McClellan, Lieut. M. L. Littlefield, R. Doyle, T. B. Hildebrand and J. H. Bollman, who were requested to report on the next night of meeting.

On motion of Mr. Weidman, Dr. Kreidler was requested to address the meeting, which he did in an able manner, plainly showing Republicans their duty, urging them to be active and energetic and prepare themselves for the coming campaign, not to be deceived by the cunning schemes of wily Locofocos.

Three hearty cheers were given for General Geary, when the meeting adjourned to meet on Saturday evening next, at the same time and place.

All Republicans and the friends of General Geary are respectfully invited to attend.

J. K. ROBISON, Pres't. E. W. KREIDER, Sec'y.

CAUTION.—It is said that bounty and per capita taxes are and have been collected in some parts of the county from those who have been in the military service of the United States nine months, and who have been honorably discharged therefrom.

An Act to exempt persons who have been in the military service of the United States, and been honorably discharged therefrom, from the payment of bounty and per capita tax, and militia fines.

SEC. 1. Be it enacted, &c., That all persons, who have been mustered into the military service of the United States, and have served therein for a period of not less than nine months, in the war to suppress the rebellion, and their property, and those persons who have been discharged from said service on account of wounds, or physical disability contracted in such service and their property, and the widows and orphans of such persons, and their property, shall be exempt from the payment of all bounty and per capita tax levied for paying bounties to volunteers, in the several counties of this Commonwealth, and such persons shall also be exempt from the payment of militia fines.

AN OLD SONG, SET TO A NEW TUNE.

1866. As spring approaches, and their holes come out, and their holes come out, in spite of cold, Gaily slip about.

18 years established in N. Y. City. Only infallible remedies known. Free from Poisons. Not dangerous to the Human Family. "Kills come out of their holes to die."

"Costar's" Rat, Roach, &c., Exter's, Is a paste—used for Rats, Mice, Roaches, Black and Red Ants, &c., &c., &c. "Costar's" Bed Bug Exterminator, Is a liquid or wash—used to destroy and also as a preventative for Bed Bugs, &c. "Costar's" Electric Powder for Insects is for Moths, Mosquitoes, Fleas, Bed Bugs, insects on Plants, Flies, Animals, &c., &c.

See that "COSTAR'S" name is on each Box, Bottle and Flask, before you buy. Address, HENRY R. COSTAR, 482 Broadway, N. Y.

INCREASE OF RATS.—The Farmer's Gazette (English) asserts and proves by figures that one pair of RATS will have a progeny and descendants not less than 651,069 in three years. Now, unless this immense family can be kept down, they would consume more food than would sustain 65,000 human beings.

1866. RATS versus BIRDS.—Whoever engages in shooting small birds is a cruel man; whoever kills an exterminating rat is a benefactor. We should like some one to give us the benefit of their experience in driving out these pests. We need something besides dogs, cats, and traps for this business.—Scientific American, N. Y.

1866. "COSTAR'S" RAT EXTERMINATOR is simple, safe and sure—the most perfect RAT-exterminator meeting we have ever attended. Every Rat that gets it, properly prepared, will eat it, and every one that eats it will die, generally at some place as distant as possible from where it was taken.—Lake Superior, Michigan.

1866. FARMERS AND HOUSEKEEPERS—should be careful that hundreds of dollars' worth of Grain, Provisions, &c., are annually destroyed by Rats, Mice, Ants, and other insects and vermin—all of which can be prevented by a few dollars' worth of "COSTAR'S" Rat, Roach, Ant, &c. Exterminator, bought and used freely. See "COSTAR'S" advertisement above. April 4, 1866-6n.
