

WEDNESDAY MORNING, May 2, 1866. TOWN AND COUNTRY.

J. M. BELFORD has just received his spring and summer stock of goods. Call and examine them, and we feel confident you can purchase good and cheap goods.

THE Millin Bridge Company has this day declared a dividend of five per cent. The dividend will be paid to the Stockholders or their legal representatives any time after the 15th day of May next.

R. E. PARKER, Treas'r.

Mrs. Hanneman, of Patterson, has just returned from the city with a splendid stock of Millinery and Ladies dress goods. She has a large variety of Bonnets, Hats, &c., all of the latest styles. Ladies call and examine her stock.

WE notice a number of our citizens busily at work repairing, white washing and cleaning up. This is commendable, as the health of the community demands it. The Town Council cannot be too exacting in their demands in this respect.

SHAD OH! SHAD OH! SHAD!—Messrs. Rowe & Hollibough furnish the citizens of Millintown and Patterson with Shad, Groceries and all kinds of green market, every Wednesday evening. Their prices are low. Give them a call.

TO POSTMASTERS.—It is not only the duty of a Postmaster to give notice promptly to the publisher of a newspaper of the nonlifting of a paper by those to whom it is directed; but it has been decided by the Courts that in such a case the Postmaster makes him self liable for the subscription price.

AUCTION ROOM.—Mr. A. H. Weid man has opened an Auction Room in our borough, and any of our merchants or citizens having any goods to dispose of would do well by leaving them at Mr. W's room. As Mr. W. is attentive to business, obliging to his customers and sells goods at a reasonable profit, we predict that he will do well in his new business.

WAIT FOR THE BOAT.—Saloff, Frow & Parker's Boat will arrive on Thursday morning, containing a large assortment of Ladies' Spring and Summer dress goods, Summer Cassimeres, Hats and Caps of the latest style. Also a large stock of Sugars, Coffee, Syrups and Fish of all kinds, all of which will be sold at greatly reduced prices.

SADDLERY.—Capt. Cornelius McClellan has just returned from the East with a large and well-selected assortment of silver mounting for harness, (which he says is the best ever brought to town.) Boots for horses that interfere, whips and whip sockets, and in short, he keeps everything usually kept in a Saddler Shop, either in the city or country.

TORNADO.—A violent tornado accompanied with lightning, thunder and hail passed over the upper end of this county on Monday of last week. The new brick Presbyterian church at Waterloo was blown down, trees and fences were prostrated. So violent was the whirl of element that the water was lifted from the bed of the creek to the height of twenty feet. No lives were lost.

ACCIDENT.—On Sunday morning last two daughters of Mr. David Penno, of Fernnagh township, were on their way to preaching in Lost Creek Valley, their horses became unmanageable and ran off, throwing the young ladies out of the wagon, cutting their heads and bruising their persons so badly that medical aid had to be sent for. We learn that they are doing well and no danger is entertained of their recovery.

A BILL was before the Legislature at its last session, making 7 per cent the legal rate of interest in Pennsylvania.—This bill was at first defeated in the House by a small majority, but afterwards the vote was reconsidered, and the bill passed. The measure, however, failed in the Senate, as did also a proposition allowing Banks to charge 7 per cent. interest on discounts. The legal rate of interest, therefore, remains at 6 per cent. as it always has been.

DEMOCRATIC MEETING.—The Democrats of Junata county held a meeting in the Court House, on Tuesday evening of court week. The meeting was organized by electing Mr. Little President. Charley McIntyre, of Bloomfield, and Bill Miller, of Harrisburg, were the spokesmen.—They harangued for two hours. What few Democrats were present endorsed Andy Johnson in his course, and labored hard to show why the soldiers should vote for Clymer, notwithstanding Clymer voted against them having the right to vote.—Upon the whole it was a wily-washy affair.

BEEF.—Mr. J. S. Thomas has opened a sale room under the old Union hotel, where he is prepared to furnish our citizens with good Beef every Tuesday, Thursday and Saturday mornings. Mr. Thomas, having adopted the cash system, is prepared to sell beef a little cheaper than can be purchased elsewhere.

GREAT CURIOSITY.—M. M. Taxon, Esq., exhibited to us the other day one of the most remarkable geological formations we have ever seen, and resembling nothing we remember to have read of.—It is a piece of slate taken from a coal vein on Broad Top, running far into the mountain, the whole surface of which is clearly and regularly covered, as if cut with a graver's chisel, with figures which require no stretch of the imagination to convert into representations of human faces—the chin, mouth, cheeks, nose, forehead and eyes are being strikingly delineated. It is no doubt a fossiliferous formation of the buds or germs of some plant which flourished ages since, when the wonderful and still undiscovered law of Nature's God was storing that vast field with millions of tons of fuel for generating steam and other purposes, to be developed only when knowledge and science would call for their production; but some imagine it may have been the work of an antediluvian who stalked the earth for eight or nine hundred years, or of some Egyptian who had knowledge of the ancient Pharaohs. It is certainly a great curiosity, and Mr. T. we learn designs taking it with him to the cities of Philadelphia and New York, for the purpose of ascertaining whether any similar thing has ever been found. The miners all aver that they never met with such a production before.—Lebanon Gazette.

GET READY.—It is evident that there will be no change in the income tax, which will affect the returns of gains and profits in 1865; and as the present law directs that the assessments shall commence on the first of May and be completed within sixty days, people might as well make up their accounts now, and be ready for the assessors. Ten days are usually allowed to make up a return, and as the blanks this year are a little different from those used heretofore, it is better to be ready in time. The Assessor's Assessor of this county have appointed the following times and places for the purpose of meeting the citizens of the county:

For Lack township at Link School House on the 9th of May, and at Waterloo on the 10th of May, 1866. For Tuscarora township at East Waterford on the 11th, and at McCoyville on the 12th of May, 1866. For Spruce Hill township at Spruce Hill School House, on the 11th and 13th of May, 1866. For Patterson township at Mrs. Snyder's Hotel on the 25th and 26th of May, 1866. For Beale township at Johnston on the 16th and 17th of May, 1866. For Turbett township and Perryville at Perryville on the 21st, 22nd and 23rd of May, 1866. For Millford township at Locust Grove School House 24th and 25th of May, 1866. For Waterloo township at Mrs. Snyder's Hotel on the 25th and 26th of May, 1866. For Susquehanna township at Henry Litter's store on the 3rd of May, 1866. For Greenwood township at Cox's Tavern on the 10th of May, 1866. For Belmore township at Thompson on the 11th, 12th and 14th of May, 1866. For Waterloo township at Richard on the 15th of May, 1866. For Fayette township at McAllister on the 21st, 22nd and 23rd of May, 1866. For Walker township at Mexico on the 21st, 22nd and 23rd of May, 1866. For Millintown and Fernnagh township at my office on the 25th, 26th and 30th of May, and on the 1st, 2nd and 3rd of June, 1866.

And at our office in Millintown from that time up to the 10th of June, 1866, to complete the Lists and receive such returns as are unavoidably omitted. All persons knowing themselves subject to a license are required to make application at the above places without any further notice. All carriages, watches, yatches, pianos, gold and silver plate must be returned without further notice. Persons engaged in business are required to make returns of their incomes to me without any further notice to do so.

INCREASE OF RATS.—The Farmer's Gazette (English) asserts and proves by figures that one pair of RATS will have progeny and descendants no less than 651,650 in three years. Now, unless this immense family can be kept down, they would consume more food than would sustain 65,000 human beings. See "Costar's" advertisement above. 1866.
