

The Juniata Sentinel.

WEDNESDAY MORNING, May 23, 1866.
TOWN AND COUNTRY.

CLAY CLUB.—The Juniata Central Clay Club meets in the Court House on 1st and 3rd Saturday evenings of each month at 8 o'clock. Any person wishing to sign the Constitution can do so by calling at the SENTINEL Office or at the meeting of the Club.

WANTED.—Messrs. Wood & Wilson want a good wagon-maker. Liberal wages will be given. Call at their shop in Millintown.

On the first page will be found an article entitled "Parties and Platforms," taken from the *North American*. It is worthy of a careful perusal.

CHEAP BROOMS.—Mr. Jerry D. Rynard has just received at his store on Bridge street, a lot of good Corn Brooms which he is selling at forty five cents.

CHANGE OF TIME.—By reference to our advertising columns it will be seen that there has been quite an alteration in the time table of the Pennsylvania Railroad.

A FACT.—As the SENTINEL has a much larger circulation than any other paper published in the town, it renders it the most available advertising medium in the country. Persons wishing to purchase land or goods will do well to consult our advertising columns.

THE WEATHER.—The weather this spring has been considerably mixed, and if it was not for the almanac we would not know that this was "pleasant May." Yesterday our citizens were sitting around their stoves, and summer clothing was disposed of.

ROBBERING.—We learn that a number of citizens of Millford township, have had their smoke houses and spring houses robbed of their contents lately. No clue is given as to who the perpetrators are, but the citizens are one the look out for the offenders.

WANTED.—A Body maker in a Coach manufactory in Perryville, Juniata county, Pa. Steady employment for a good workman. Call on or address
THOMPSON & BRO.
Port Royal,
Juniata county, Pa.

At the regular stated meeting of the Geary Club held on Saturday evening last, the following resolution was unanimously adopted:

Resolved, That we heartily endorse the nominations this day made by the Republican County Convention, and pledge the nominees, as we have Maj. Gen. John W. Geary, our undivided support, hoping they may be triumphantly elected.

BUILDING ASSOCIATION.—At a meeting of the members of the Building Association held one evening last week Messrs. Bonsail, Weidman and Hildebrand were appointed a Committee to solicit subscriptions and collect the money already subscribed. They have been at work and have met with good success.—Another meeting will be held in the Court House on Thursday evening next. The members of the Association are respectfully invited to attend at business of importance is to be transacted.

GOOD.—That spicy and spirited journal, the *Trenton Union Sentinel*, gives the following "Political Nursery Rhymes for very little children," appropriate to the situation in that State: Sing a song of office, children don't you cry, Four and twenty Johnson men met on the sly. All met at Trenton, the "radicals" to level, Wasn't this a dainty dish to set before the devil Ten Eyck is in the kitchen, eating bread and honey.

GOOD TEMPLARS.—A short time since a Lodge of Good Templars was instituted in our borough, and we are pleased to learn they now number over one hundred. The good already accomplished by this Society can be seen in our every day life, and its beneficial influence realized in many a household. Many of those who sought the drinking saloon as their place of resort, are now among those who spend their evenings in the Lodge room, and use their influence in the cause of temperance. The order prosper because their great aim is the reformation of the inebriate, reclaiming the fallen and degraded, and the general improvement of society. Their works seem to be like bread cast upon the water, for already a hundred of young men of our town are about starting a new Lodge, and their prospects are indeed flattering. We wish them success, and hope that ere long they may number as many members as

Married.

COOK-HARRIS.—On the 2nd inst., by Rev. J. A. McGill, Mr. Wm. L. Cook of Horsevalley, Perry county, Pa., and Miss Elizabeth J. Harris, of Concord, Pa.

CUNNINGHAM-NANGLE.—On the 15th inst., by Rev. Lane, Mr. W. O. Cunningham, of Millford township, and Miss Mollie E. Nangle, of Patterson.

Matrimony has its charms even in warm weather. Another couple have gone and done it. We wish the happy couple an abundance of all earthly good things with but few of the latter responsibilities that usually gather around the domestic hearth.

Died.

KAUFFMAN.—On the 7th inst., in Walker township, Mr. Isaac Kaufman, aged 89 years, 6 months and 19 days.

MOORE.—In this borough on the 15th inst. Mrs. Catharine Moore, aged 72 years.
