DRUNKENNESS.

"It scars all the finer susceptibilities of the soul, dries up the currents of sympathy and affection, and makes the heart a sterile waste susceptible of those base and abject emanations that necessarily spring from depraved and corrupted passions."

A STRANGE FREAK OF NATURE.

There is on our exhibition at the Assembly Buildings one of the greatest natural curiosities in the world. This strange freak of nature is the blending together of two colored girls in a manner more thorough than the linking of the Siamese twins.

A MILLENNIAL PROPHECY.

Postmaster Kelly, of New York City, received a few days ago, by mail, from North East, Cecil county, Md., a prophecy, by Mrs. Hill, in circular or hand-bill form, accompanied by the following note:

The case is one of the strongest on record, and will require the judgment of Solomon to decide. It will probably last for several days, and much interest is manifested in the result.

Indulge in humor as much as you please, if it is not ill-humor.

Young Beeswax, on being asked whether he was going to keep Lent, replied with great simplicity that nobody had borrowed him yet, so far as he was aware.
