 properly used and used in time.—Mothers having
 young children should watch the first
 show of the Disease, and always keep this
 Syrup at hand.

For Coughs after Measles, this Syrup is
 most excellent. Experience has proven that it
 is equalled by no other preparation.

INCREASE OF RATS.—The *Farmer's Gazette*
 (English) asserts and proves by figures
 that one pair of RATS will have a progeny
 and descendants no less than 561,050 in three
 years. Now, unless this immense family can
 be kept down, they would consume more food
 than would sustain 65,000 human beings.
 See "Costar's" advertisement above.

1866.
RATS DEVOUR BIRDS.—Whoever engages in
 shooting small birds is a cruel man; whoever
 aids in exterminating rats is a benefactor.—
 We should like some one to give us the benefit
 of their experience in driving out these pests.
 We need something besides dogs, cats, and
 traps for this business.—*Scientific American,*
 N. Y.

See "Costar's" advertisement above.

1866.
"COSTAR'S" RAT EXTERMINATOR is
 simple, safe and sure—the most perfect RAT-
 igation meeting we have ever attended.—
 Every rat that can get it, properly prepared,
 will eat it, and every one that eats it will die,
 generally at some place as distant as possible
 from where it was taken.—*Lake Shore, Mich.,*
Mirror.

1866.
FARMERS AND HOUSEKEEPERS—should
 recollect that hundreds of dollars' worth of
 Grain, Provisions, &c., are annually destroyed
 by Rats, Mice, Ants, and other insects and
 vermin—all of which can be prevented by a
 few dollars' worth of "Costar's" Rat, Roach,
 Ant, &c., Exterminator, bought and used freely.
 See "Costar's" advertisement above.

FOUTZ'S CELEBRATED Horse and Cattle Powders.
 These Powders will strengthen the Stomach and Intestines, cleanse them from offensive matter, and bring them to a healthy state. They are a sure preventive of Lung Fever, and a certain remedy for all Diseases incident to the Horse, such as Glanders, Yellow Water, Distemper, Founder, Heaves, Stomachic, Coughs, Fevers, Loss of Appetite and Vital Energy, &c.

In poor, low-spirited animals, it has the most beneficial effect.

The use of them improves the wind, strengthens the Appetite, and gives to the Horse a fine, smooth and glossy skin—thus improving the appearance, vigor and spirit of this noble animal.

FOR MILCH COWS.
 In all Diseases of the Udder, such as Conga, Udder, Liver, &c. By putting down half a paper to a paper of these Powders in a barrel of Milk, the whole Disease will be cured or entirely prevented. The Long Looked For—Come at Last
THE CELEBRATED
Florence Sewing Machine.

This machine is the most perfect instrument
 to execute any kind of sewing now done
 by machinery in the world. It is simple and
 perfect in its mechanical construction. The
 feed may be reversed at any point desired
 without stopping, which is a great advantage
 in fastening the end of seams.
 It makes FOUR DIFFERENT STITCHES,
 Lock, Knot, Double Lock, Double Knot,
 each stitch perfect and alike on both
 sides of the fabric.
 Operators can select any stitch they want and
 change from one stitch to another with-
 out stopping the machine.
 Its stitches cannot be excelled for firmness,
 elasticity, durability and beauty of finish.
 No difficulty experienced in sewing across
 thick seams.
 Sews light and heavy fabrics with equal facil-
 ity.
 It will Sew, Tick, Quilt, Cord, Hem, Fill,
 Band, Gather, and sew all kind of work
 required by families and manufacturer.
 The work will feed either to the right or left
 without stopping the machine.
 The most inexperienced find no difficulty in
 using it.
 It is thoroughly practical and unduly in
 stock.
 It has no springs to get out of order, and will
 last a lifetime.
 It runs easily, and is almost noiseless.
 It is the most rapid sewer in the world; mak-
 ing five stitches in each revolution.
 It uses the same size thread on both sides of
 the fabric.
 Rolls no threads, all its machines being on
 top of the table.
 Every machine is warranted to give entire sat-
 isfaction, and to do all that is claimed for it.
 Miss **CARRIE E. SEANBURN** is the agent
 for this country. By calling at her residence
 on Main Street, Millifontown, one of these ma-
 chines can be seen in operation.

AYER'S SASSAPARILLA
 THE WORLD'S GREAT REMEDY FOR
 Scrofula and Scrofulous Diseases.
 From *Every Day*, a well-known merchant of Oc-
 tober, 1865, p. 10.
 "I have sold large quantities of your SASSAPARILLA,
 but never yet one bottle which failed of the
 desired effect, and I can testify to those who took
 it. As fast as our people try it, they seem there has
 been no instance like it before in our community."
 Eruptions, Pimples, Blisters, Pustules, Ul-
 cers, Sores, and all Diseases of the Skin.
 From *Dr. J. M. B. Smith, Bristol, Vermont.*
 "I only do my duty to you and the public, and
 I add my testimony to that you possess of the medi-
 cal virtues of your SASSAPARILLA. My daughter,
 aged ten, had an afflicting humor in her eye,
 eye, and hair for years, which we were unable to
 cure until we tried your SASSAPARILLA. She has
 been well for some months."
 From *Dr. J. M. B. Smith, Bristol, Vermont.*
 "I had for several years a very troublesome
 humor in my face, which grew constantly worse
 until I obtained your SASSAPARILLA, and became an in-
 curable affliction. I tried almost every thing a med-
 ical man could advise, and medicine, but without any
 effect. However, until I took your SASSAPARILLA,
 it immediately made my face worse, as you told me
 it would for a time; but in a few weeks the ac-
 tion began to form under the skin, and was con-
 tinued until my face is as smooth as any boy's,
 and I am without any symptoms of the disease. I
 know of it, I enjoy perfect health, and without a
 doubt owe it to your SASSAPARILLA."
**Syphilis—General Debility—Purify the
 Blood.**
 From *Dr. J. M. B. Smith, Bristol, N. Y.*
 "Dr. AYER'S SASSAPARILLA has cured my
 Scrofula and Scrofulous Diseases, and I have
 been able to resume my former health. No other
 medicine has ever cured me. I have tried every
 thing that a physician has advised, but without any
 success. I have now a good appetite, and my
 strength is returning. I am now as well as I can
