1866. INCREASE OF RATS.—The Farmer's Gazette (English) asserts and proves by figures that one pair of RATS will have a progeny and descendants no less than 651,050 in three years. Now, unless this immense family can be kept down, they would consume more food than would sustain 65,000 human beings.

We should like some one to give us the benefit of their experience in driving out these pests. We need something besides dogs, cats, and traps for this business.—Scientific American, N. Y.

THE WORLD'S GREAT REMEDY FOR Scrofula and Scrofulous Diseases. From Emery Allen, a well known merchant of New York.

"I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our country."

Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.—From Rev. John H. Stratton, Bristol, England. "I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. John E. Rice, a well known and much respected lady of Westfield, Mass. "I have used your SARSAPARILLA for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the highly honored Corps, Marine, and manufacturer of condensed papers in Newark, N. H. "I had for several years a very troublesome humor on my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost every thing, but could not obtain relief in any manner, but in a few weeks your SARSAPARILLA began to form under the blotches, and continued until my face is as smooth as my body, and free from all symptoms of the disease. I know of it, I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Druggists—General Debility—Purify the Blood. From Dr. R. M. Swain, Houston St., New York. "Dr. AYER. I seldom fail to remove Eruptions and Scrofulous Sores by the persevering use of your SARSAPARILLA, and I have just now cured an attack of Maligant Erythema with it. No other medicine possesses equals the SARSAPARILLA, you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Westport, Ohio. "For twelve years, I had the yellow Erythema on my face, and during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicine. The sores would not heal, and the face became swollen and red. My friends decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and some new sores and sores in my body, being in a public place, my eye is known to every body in this community, and excites the wonder of all."

From Hon. Henry Moore, M. P., of Newcastle, N. H., a leading member of the Canadian Parliament. "I have used your SARSAPARILLA in my family for several winters, and for purifying the blood, and for every beneficial result, and feel confident a commending it to the afflicted."

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes. From Henry Jackson, Esq., the able editor of the "Lancashire Telegraph," Pennsylvania. "Our only child, about three years of age, was seized by a simple and acute Erythema. The eruption spread until it formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician, after a course of silver and other remedies, without any apparent effect. For fifteen days we searched his face, but with them it should have been removed, and applying the lotion of potash lotion, as you direct. The sores began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fat as any other child. The whole neighborhood, crowded that the child must die."
