14TH CONGRESSIONAL DISTRICT. Proceedings of the Conference.

The first meeting of the Conferees of the XIV Congressional District was held at Sunbury, Sept. 6th, 1866, when the conference organized by electing W. C. Duncan, Chairman, and W. H. Patterson, Secretary.

The following are the names of the Conferees from the counties: Dauphin county—Daniel Kendig, F. R. Gilbert, W. T. Hildrup. Juniata county—H. H. Bechtel, H. H. Wilson, W. H. Patterson. Northumberland county—Jacob Seesholtz, F. S. Haas, R. M. Frick. Snyder county—Samuel Alleman, W. Moyer, Daniel Widensall. Union county—C. C. Shorkley, Wm. Jones, W. C. Duncan.

Mr. C. C. Shorkley nominated Hon. G. F. Miller. Mr. F. S. Haas nominated J. B. Packer. Capt. H. H. Wilson nominated Col. J. J. Patterson.

One hundred and thirty six ballots were had and no nomination made, when, on motion of Capt. H. H. Wilson, the conference adjourned to meet at Lewisburg, Union county, Pa., on Thursday, the 13th of September.

Met at Lewisburg, according to adjournment, balloted until 23rd ballot, adjourned to meet at Harrisburg, 21st of Sept.

Met in the city of Harrisburg on the 21st inst. The vote had stood six for J. B. Packer, of Northumberland; six for Hon. G. F. Miller, of Union, and three for Col. J. J. Patterson, of Juniata. The contest closed on the 31st ballot by Col. Patterson's delegates voting for Mr. Miller, the present firm and consistent Representative. Our friends should not waste an hour in organization. Too much time has already been lost in this contest for a standard bearer. Col. Patterson is deserving of great credit for throwing the weight of his influence in favor of Mr. Miller, as his re-nomination is an endorsement of the last Congress and particularly of Mr. M.'s course. We predict for it an emphatic ratification on the second Tuesday of October.

KEEP IT BEFORE THE PEOPLE!

That Moses A. Johnson and his Copperhead friends have determined that soldiers shall not receive any bounties granted by the present Congress. That, if at the coming election, they succeed in electing a sufficient number of traitors and their friends to control the next Congress, the payment of bounties is to be staved off until the law can be so amended as to include rebel soldiers in its provisions. And

KEEP IT BEFORE THE PEOPLE!

That if they fail in electing a sufficient number of their friends to accomplish what they desire, then their Cromwellian President is to attempt to drive the people's representatives from their seats by force, and thus plunge this country into another civil war before which the horrors of the rebellion will sink into insignificance.

SOLDIERS OF JUNIATA!

This is the entertainment to which you are invited, and the same men who threw out your ballots when you sent them home from the field and trampled them under their feet, now ask you to assist them in undoing what you sved your blood to accomplish.

DEFENDERS OF THE UNION!

Are you prepared to thus humiliate yourselves, and be forced to Lick the bloody hand of treason? If not, stand by the men who stood by you in your country's dark hour.

THE COPPERHEAD CONGRESSIONAL CONFERENCE.

The Copperhead Congressional Conference met at Sunbury on Saturday last and placed in nomination Tom Power, of Snyder county. This man is an old school Democrat—one of the kind that thought the war was a failure—and is now in favor of Andrew Johnson and his policy. He has frequently been before the people of Snyder county for office and was always defeated. We predict for him the same fate on the Second Tuesday of next October.

NEW JERSEY O. K.—The New Jersey Legislature met in an extra session on the 12th inst., and promptly passed the Constitutional amendment. On the 18th A. G. Cattell, a thorough-going Union man, was elected United States Senator to fill the place of Stockton, rejected. This gives one additional Union vote in the United States Senate. Well done for the "Jersey Blues."

THE RIGHT OF DESERTERS TO VOTE.

The action of all the Sheriffs in Copperhead counties clearly indicates the purpose of the Copperhead leaders. The law passed by the last Legislature, providing for the disfranchisement of deserters, also provides that the law shall be published with the Election Proclamation—that all Sheriffs in the State shall embody the law in the Election Proclamation as published in their bailiwicks. In the face of this injunction, with the plain letter of the law before them, all Copperhead Sheriffs have neglected and refuse to print the law as provided for. This is nullification—it is a perjured effort to defy the letter and the spirit of the law, by those sworn to uphold and enforce it.

The Bedford Inquirer, referring to this bold and deliberate effort at nullification, uses the following strong language: "The Secretary of the Commonwealth has furnished the High Sheriff of Bedford county, under the broad seal of the State, a copy of the Disfranchising act, as passed by the Legislature and approved by the Governor, but he obstinately refuses to insert it in his Proclamation, thus setting at defiance a law on the statute books of Pennsylvania. It is the only instance that has come to our notice in the State. We expect to announce, in our next issue, that, in accordance with a resolution passed by the Republican County Committee, A PROSECUTION FOR MISDEMEANOR IN OFFICE WILL HAVE COMMENCED AGAINST HIM. THE SAME PENALTY SHALL BE VISITED UPON EVERY OFFICER OF ELECTION BOARDS, OR OTHER PERSONS, WHO SET THE LAW AT DEFIANCE and the matter shall not stop here; WE SHALL GO TO THE NEXT LEGISLATURE AND SECURE A CHANGE OF VENUE, AND TRY THE CASES IN SOME COUNTY WHERE COPPERHEAD JURIES CANNOT SCREEN THEIR FRIENDS."

There is no doubt of an overwhelming Republican majority in the coming Legislature, so that the same action determined on in Bedford county will be followed out in other Copperhead counties by the Republicans thereof, and by a change of venue, bring to justice every Copperhead Sheriff who perjured himself by thus attempting to nullify a plain law!

A CONTRAST.

On the 2d of March, 1861, President Johnson made a speech, in which he said: "Were I President of the United States, I would do as Thomas Jefferson did in 1806, with Aaron Burr, who was charged with treason. I would HAVE THEM ARRESTED AND TRIED FOR TREASON, AND IF CONVICTED, BY THE ETERNAL GOD, THEY SHOULD SUFFER THE PENALTY OF THE LAW AT THE HANDS OF THE EXECUTIONER. Sir, treason must be punished. Its enormity, and the extent and depth of the offense must be made known."

During his late visit to New York he made another speech, in which he exclaimed: "Why should we distrust the Southern people, and say they are not to be believed? I have just called your attention to the Constitution under which they were DESIROUS TO LIVE, AND THAT WAS THE CONSTITUTION OF THEIR FATHERS. Having been defeated in bringing about separation, and having lost the institution of slavery, the great apple of discord, they now, in returning, TAKE UP THAT CONSTITUTION UNDER WHICH THEY ESTABLISHED FOR THEMSELVES EVEN, in a separate Government. Where, then, is the cause for distrust? I am one of those who take the Southern people WITH ALL THEIR HERESIES AND ERRORS, admitting that in rebellion they did wrong."

It is not difficult to determine who has changed.

EASY QUESTIONS AND ANSWERS.

Who called the Union soldiers "Lincoln hirelings," "Hessians" "Robbers," and "Squid wretches?" The Democratic party.

Who proclaimed their admiration of the bravery and chivalry of Southern rebels? The Democratic party.

Who refused to let soldiers vote. The Democratic Party.

Who now professes an intense love for the dear soldier who fought and bled for their country? The Democratic Party.

Who forget the crippled soldier to day, and elect to office men who declared he was an unholty crusade against the NATIONAL RIGHT OF SECESSION, carried on by murderers and thieves for rapine and murder? THE DEMOCRATIC PARTY.

What They are After.

Mr. Eggleston, member of Congress from Cincinnati, in a late speech in that city related the following conversation with Gov. Aiken, of South Carolina. It shows very conclusively what the South will demand when they get their seats in Congress. We quote from Mr. Eggleston's speech as follows:

Said Gov. Aiken, of South Carolina, when I asked him why he insisted on the members of his State being admitted to seats, and if the interests of his people were not well taken care of: "Mr. Eggleston," said he, "there are two things you have not done for us, and never will do—we have hundreds and thousands of widows in the South, and we want to be in Congress so as to place our widows on the pension rolls of the United States, that they may have all the same support the widows of our soldiers get. The other matter is that we have contracted a large debt down South, as you have in the North, and it is not right for us to be taxed to pay your debt unless your taxes go also to pay our debt."

That lets the cat out of the bag. Give the Copperheads power in Congress, and they will yield to every demand of the South; and Andy Johnson will back them up in it.

WORK! WORK! WORK!!!

The late Republican triumph in Maine, which is said to have surprised the Republicans as badly as it did the Copperheads, was accomplished by every man doing his duty. Let this be a lesson and an example to our Juniata county Republicans, to "work while it is yet to-day, the morrow cometh when no man" need work. It is a small matter to sacrifice a few days, or a few dollars, for the salvation of your country. Hundreds of thousands have spent years and given their lives, while tens of thousands can be seen with an empty sleeve or carefully hobbling about on crutches, the victims of a horrible rebellion, you are not asked to sacrifice much? No, unless you refuse to do your duty and allow a new rebellion to be inaugurated ten-fold more horrible than the former. Nothing but an overwhelming defeat at the ballot box will deter Andrew Johnson from inaugurating new revolutionary measures. Are you prepared to leave the rebels triumph at last through Andrew Johnson? If you are not, then it behooves every man of you to put your "shoulder to the wheel, pray to God for success, and more on the column?"

WHO DO YOU SAY?

The Copperheads claim to be the Union men of this country. That is exactly what they claimed when they nominated Vallandigham, whose sympathies were wholly with the rebellion. They claimed to be the Union men when they declared the war a failure, and demanded an immediate cessation of the war. They claimed to be the Union men when they were discouraging enlistments, and when they were doing all they could to break down the power of the Union armies in the field. But they claim to be intensely Union now, because they are in full fellowship and union with the men who starved and persecuted our men to death in Libby, Andersonville and Salisbury. Fathers, you who have given your sons, a noble sacrifice, for your country; Soldiers, you who have been well nigh starved and famished in these rebel pens, whom do you call Union men? These Copperheads, fraternizing with Southern traitors without exacting any security for their good behavior hereafter, or those who insist that sufficient guarantees shall be given for the future?

In Maine the Democratic papers openly denounce the President as the cause of their defeat. The Portland Advertiser is especially vindictive: "We say unhesitatingly, for it is God's truth, that the timidity and feebleness of the Executive power in this State over the sources and springs of popular influence have alone caused our mortifying results in Maine." We expect to read in the same ilk of journals in Pennsylvania in about two weeks, similar denunciations of the President, as it is evident to all keen observers of politics in this State that Andy Johnson's tipping top has disgusted thousands of men who will vote against the party which assumes to defend his abominations.

The Democrats have abandoned all hope of electing Clymer, and are concentrating their energies on the close Congressional districts, with a view to defeating, if possible, some of the Republican nominees. This change will not avail them. The same groundswell that wrought astonishing results in Maine, extends throughout Pennsylvania.

The Republican majority of the last Legislature repealed the tax on real estate. This repeal was made at the suggestion of the present Republican State Treasurer. It is well enough to have the voters remember these facts.

AGENTS WANTED for the Camp, the Bat-tle Field and the Hospital. Or Lights and Shadows of the Great Rebellion. There is a certain portion of the war that will never go into the regular histories, nor be embodied in romance or poetry, which is a very real part of it, and will, if preserved, convey to succeeding generations a better idea of the spirit of the conflict that many dry reports or careful narratives of events and this part may be called the "grand old fun, the pathos of the war. These illustrate the character of the leaders, the humor of the soldiers, the devotion of women, the bravery of men, the pluck of our heroes, the romance and hardships of the service.

The volume is profusely illustrated with over 100 engravings by the first artists which are really beautiful; worthy of examination as specimens of the art. The book's contents include reminiscences of camp, picket, spy, scout, bivouac, siege and battle field adventures; thrilling feats of bravery, wit, drollery, comical and ludicrous adventures, &c., &c. Amusement as well as instruction may be found in every page, as graphic detail, brilliant wit, and authentic history, are skillfully interwoven in this work of literary art.

This work sells itself. The people are tired of dry details and partisan works, and want something humorous, romantic and stirring. We have agents clearing over \$200 per month. Send for circulars, and see our terms and proof of the above assertion address, NATIONAL PUBLISHING CO., 507 Minor St., Philadelphia Pa. Sept 25-45.
