TOWN AND COUNTRY.

ANOTHER BEAR.—Mr. John Tyson, living at the lock above town, succeeded in capturing another large Bear on Saturday last on the Shade mountain. This is the third Bear Mr. Tyson has caged this fall.

IRWIN the young man who shot Meixell at Sunbury for taking a few Apples in an orchard, was released from jail last week on a writ of habeas corpus and entered into bonds in the sum of $10,000 for his appearance at Court.

SOMETHING NEW.—Mr Maxwell has erected a new oven at his baking house on Water Street. It is large enough to bake one hundred and fifty loaves of bread at one time, and is heated by a coal fire. Our citizens should call around and see how it is arranged.

SNOW POWDER.—This is an article for washing without rubbing, except in very dirty places, which will require a very slight rub, and unlike other preparations offered for a like purpose, will not rot the clothes, but will leave them much whiter than ordinary methods, without the usual wear and tear. See advertisement in another column.

RELIGIOUS NOTICE.—The third quarterly meeting for Mifflin M. E. Church, for the present Conference year, will be held on Sunday the 28th inst. Rev. Dr. Johnson, President of Dickinson College will preach a Centenary sermon at 10½ o'clock, A. M. Sunday School Centenary services will be held at 3 o'clock, addresses by Rev. Dr. Johnson, B. F. Crever, P. E. and G. D. Chenowth. Rev. B. F. Crever will preach at night.

REAL ESTATE FOR SALE.—D. A. Doughman, Administrator of the estate of Jacob Doughman, late of Beale township, dec'd., will sell at public sale on the premises, in said Township, at 1 o'clock P. M., on Wednesday, Oct., 31st, 1866, a valuable Farm containing 103 acres and 140 perches. The farm is located in the center of Tuscarora Valley, near to churches, schools, stores, etc, and will be sold on reasonable terms. See adv.

CURE FOR NEURALGIA.—Some time since we published, at the request of a friend, a receipt to cure neuralgia. Half a drachm of sal ammonia, in an ounce of camphor water, to be taken a tea-spoonful at a dose, and the dose to be repeated several times, at intervals of five minutes, if the pain be not relieved at once.—Half a dozen different persons have since tried the receipt, and in every case an immediate cure was effected. In one, the sufferer, a lady, had been affected for more than a week, and her physician was unable to alleviate her sufferings, when a solution of sal ammonia in camphor water relieved her in a few minutes.—*Alta California.*

A WISH FULFILLED.—A man named John Eck, living near Pricetown, Berks county, some time ago offered his house for sale; for some unknown cause it was not sold. He then made the following declaration: "That he wished it would burn down over his head." On Sunday morning last the house was discovered to be on fire, when some of the neighbors rushed up stairs, when strange to say, they found Mr. Eck, dead, he having received a stroke of the palsy a few moments before the fire. Through the super human efforts of the neighbors the body was conveyed to the yard before the house was in ruins. Thus was his impious wish fulfilled.

THREE BEAUTIES.—The three Democratic papers published in this borough set up a "hue and cry" of "nigger," just before the election, one of them going so far as to publish the word "negro" over eighty times in one paper, and harping about "negro equality" and "negro suffrage" until the citizens of our county were fully satisfied that the editors of these papers had "nigger on the brain." They charged that the Republican party wanted to give the negro the right to vote, and that by voting for Messrs. Brown and Wharton they were voting in favor of the Constitutional Amendments, which they said gave the negro the right to vote.—This was all done for political gain; but let us look at this negro voting business. After charging that the Republican party favored negro suffrage, *a Democratic Election Board in a certain township, in Juniata county, permitted a NEGRO to vote, and he voted the whole Democratic ticket!* The Republican party would not gain much by giving the negroes the right of suffrage in that township.—We think the "nigger" was on the other wood pile. Does the shoe pinch your foot?

FIRE PROOF WASH FOR SHINGLES.—The following simple application will no doubt prove of great value in the preservation of property: A wash composed of lime, salt and fine sand, or wood ashes put on in the ordinary way of whitewashing, renders the roof fifty per cent. more secure against taking fire from falling cinders or otherwise in case of fire in the vicinity. It pays the expenses a hundred fold in its preserving influence against the effect of the weather. The older and more weather beaten the shingles, the more benefit derived. Such shingles become more or less warped, rough and cracked; the application of the wash, by wetting the upper surface, restores them at once to their original or first form, thereby closing up the space between the shingles and the lime and sand by filling up the cracks and pores in the shingle itself, and preventing it from warping.

THE PLACE TO STOP AT.—Citizens of Juniata county, visiting Philadelphia and desiring comfort and convenience would do well to stop at the States Union Hotel, 6th and Market Streets. The proprietor, Mr. Sanders is an obliging and clever landlord. Don't forget the No. Sixth & Market Street.

☞ We learn with regret that the wife of Henry S. Wharton, Assemblyman elect from this District, died in Huntingdon on the 17th inst, Mr. Wharton has the condolence of the entire community in his bereavement.

HON. C. R. COBURN has tendered his resignation as Superintendent of Common Schools of this State. Prof. Wickersham, of Lancaster county, will succeed him, entering upon the duties about the 1st prox.

Married.

SWARTZLANDER—KNOUSE—On the 11th inst., by the Rev. R. H. Fletcher, Mr. Abram Swartzlander and Miss Margaret Knouse both of Juniata county, Pa.

AGENTS WANTED for the Camp, the Battle Field and the Hospital. Or Lights and Shadows of the Great Rebellion.

There is a certain portion of the war that will never go into the regular histories, nor be embodied in romance or poetry, which is a very real part of it, and will, if preserved, convey to succeeding generations a better idea of the spirit of the conflict that many dry reports or careful narratives of events, and this part may be called the gossip, the fun, the pathos of the war. These illustrate the character of the leaders, the humor of the soldiers, the devotion of women, the bravery of men, the pluck of our heroes, the romance and hardships of the service.

The volume is profusely illustrated with over 100 engravings by the first artists which are *really beautiful;* worthy of examination as specimens of the art. The book's contents include reminiscences of camp picket, spy, scout, bivouac, siege and battle field adventures; thrilling feats of bravery, wit, drollery, comical and ludicrous adventures, etc., etc.

Amusement as well as instruction may be found in every page, as graphic detail, brilliant wit, and authentic history, are skillfully interwoven in this work of literary art.

This work sells itself. The people are tired of dry details and partisan works, and want something humorous, romantic and startling. We have agents clearing over $200 per month. Send for circulars, and see our terms and proof of the above assertion.

CHOLERA.—Don't be startled! The Cholera can be prevented and cured by using Dr. J. M. Lindsey's Cholera and Diarrhœa Medicine. This preparation has been before the public for fifteen years, and has been used with entire success. Thousands of Certificates could be furnished, but a trial of the medicine will be more satisfactory than volume of Certificates; and will convince the most sceptical of its wonderful cure in properties. It is not a cure all, but is designed to relieve all who may be attacked by Cholera, Cholera Morbus, Diarrhœa, Dysentery, Cholic or Cramps and Pains in the Stomach, &c. Don't be without a bottle at hand. Sold retail by all first class Druggists and Wholesale by the Proprietors Hazard & Smith No. 167 Arch Street, Philadelphia. may, 9-6m.]
