

WEDNESDAY MORNING, October 31, 1866. TOWN AND COUNTRY.

WE NEED MONEY.—Will our friends who are indebted to us for subscription, advertising and job work, call and settle.—Paper and material for printing is exceedingly high, and we are compelled to require prompt settlement of the small bills due us.

STOVES.—Mr. N. E. Littlefield has just received from the eastern cities a large lot of stoves, which he is selling very cheap. Call at his room on Bridge street Millintown.

INCOME TAXES PAID.—14th Congressional District.—The whole amount of income tax assessed and collected in the 14th Congressional District for the year ending April, 30, 1866, was \$126,885.61.

SAMUEL LEONARD, Esq., administrator of the Estate of Joseph Kurtz, late of Delaware township, dec'd., will sell valuable personal property, on the premises in said township, on Friday, November 16th 1866.

APPOINTED.—Gen. J. Irvin Gregg of Lewisburg, late commander of the 16th Pennsylvania Cavalry, has been appointed Colonel of the 8th Regular Cavalry.—The General was one of the commissioners to investigate the cause of the riot in New Orleans.

THANKSGIVING.—President Johnson has appointed Thursday the twenty ninth day of November next to be set apart and observed everywhere in the several States and Territories of the United States as a day of Thanksgiving and Praise to Almighty God.

THE POTATO CROP.—By the accounts which reach us, through our exchanges, from all parts of this State, the potato crop this year is enormous. In a few localities the rot has made its appearance, but we think will not become a plague or materially effect the price of this wholesome food. In this region potatoes are selling at fifty cents a bushel, with a downward tendency. In other localities they are offered at lower figures.

"EXCELSIOR"—Last week we received a police note informing us that we had been elected an honorary member of the Excelsior Base Ball Club of Millin.—This is one of the best clubs in the county. It is composed of young men, principally mechanics, who understand how to "bark" a ball and handle a bat. We think them for the honor conferred and wish them success.

ACCIDENT.—On Monday of last week while threshing at Mrs. Beshor's near Perryville, a young man named Simon A. Plank was dangerously injured.—While the machine was in motion he attempted to fix something about the machinery, when his clothes caught, and drawing him in, cutting one of his limbs so badly that he will be a cripple for life. Another warning to others.

BED BUGS.—A correspondent of the Fayetteville Journal communicates to the public that as much sublimate of mercury as two ounces of first proof alcohol will dissolve will destroy those pests to human nature, bed bugs, lice and louse, if applied to those places where they are wont to take shelter. For the credit as well as the comfort of our own humanity, let it be applied at once. The preparation costs but a trifle, and the receipt is "free gratis for nothing."

LATEST EXCITEMENT.—Great excitement prevails in Patterson and vicinity over the late arrival of new goods at Frank, Cook, & Co's store. They have a fine assortment of Dry Goods, Cassimers, Carpeting, Notions, Boots and Shoes, Groceries, Stone ware, Earthen ware, Salt, Fish, &c., which they are selling cheaper than any store in the county. They have a market car which arrives from Philadelphia every Tuesday evening laden with Sweet Potatoes, Pickles, Oysters and a general assortment of provisions.

NEW STORE.—S. B. Louden and Wm. J. Jackman, have rented Wilson's Store Room, opposite the Crystal Palace, and will open out on Friday and Saturday of this week, a large and well selected Stock of Clothing, Boots and Shoes with a general assortment of Gentlemen's furnishing goods. Mr. Jackman was formerly Editor and Proprietor of the Junata True Democrat, and is a social clever gentleman. We bespeak for him and his partner a liberal share of public patronage.

READ IT.—The advertisement of E. P. Wickersham. He offers a valuable farm at public sale on December 8th, '66.

BARN BURN.—The Barn of Wm. P. Goshorn, of Tell township, Huntingdon county, was set fire and burned to the ground one day last week, by Joseph Mathews of Black Log Valley. Mathews after firing the barn, shot three of Mr. Goshorn's horses and then escaped to the mountain. A reward of one hundred dollars is offered for the arrest of Mathews. He is said to be about forty years of age, 5 feet 8 inches high, wearing a heavy dark beard—sharp featured, had on a low crowned hat and dark clothes when last seen.

LITERARY.—The Spruce Hill Literary Society was organized in August, 1862, and has been in progress ever since. During the war, when literature was almost forgotten, and "wars and rumors of wars" absorbed the minds of the people, it met with many trials and difficulties; but since national affairs have resumed a peaceful aspect, this Society has revived and is now doing well. Literary Societies should be organized in every community, village and town. They constitute one of the means of making good, active, intelligent citizens and improve society in general.

TWO PATRIOTS.—The Lewisburg Chronicle says that Jackson Wertz and James McElrath, boatmen of Lewisburg, left their boats at Plymouth, Luzerne county, on the night previous to the election, intending to come home to vote.—They missed the train, however, and footed all the way home, (about 60 miles) to cast their votes for Gerry and the rest of the "Republican ticket." Union county may be truly proud of such men. By the returns from that county it appears there were many more who were equally anxious to cast their votes in favor of universal liberty; to sustain the National Congress, and to secure the honest and impartial administration of the law.

SIMPLE MODE OF COMPUTING INTEREST.—A new method of computing interest on any number of dollars at six per cent, appears very simple. Multiply any given number of dollars by the number of days of interest desired, separate the right hand figure and divide by six, the result is the true interest of such sum for such number of days at six per cent.—This rule is so simple and so true, according to all business usages, that every banker, broker, merchant or clerk should post up this for reference and use. There being no such thing as a fraction in it, there is scarcely any liability to err or mistake. By no other mathematical process can the desired information be obtained with so few figures.

PATENTED MAY 20, 1865.—This is an article for washing without rubbing, except in very dirty places, which will require a very slight rub, and unlike other preparations offered for a like purpose, will not rot the clothes, but will leave them much whiter than ordinary methods, without the usual wear and tear. It removes grease spots as if by magic, and softens the skin by rubbing, so that rinsing will in ordinary cases entirely remove it. This powder is prepared in accordance with chemical science, and upon a process peculiar to itself, which is secured by Letters Patent. It has been in use for more than a year, and has proved itself an universal favorite wherever it has been used. Among the advantages claimed are the following: It saves all the expense of soap usually used on cotton and linen goods. It saves most of the labor of rubbing, and wear and tear. Also, for cleaning windows it is unsurpassed with one quarter the time and labor, usually required to impart a beautiful gloss and lustre, much superior to any other mode.—No water required except to moisten the powder. Directions with each package. Also, can be readily appreciated by a single trial. The cost of washing for a family of five or six persons will not exceed THREE CENTS.

The manufacturers of this powder are aware that many dealers, especially those who have introduced it to the public, have sold it at a price which is not warranted by the quality of the article, they consequently protest it as being adapted to meet a demand which has long existed, and which has heretofore remained unsupplied. Manufactured by HOWE & STEVENS, 200 Broadway, Boston. Also, Manufacturers of Family Dye Colors. For sale by Grocers and Dealers everywhere. Oct. 17-66.
