and well supplied. They think that the Liberals were defeated.

Marshal Bazaine bas ordered the last of the French troops to be embarked by the 3d of March. The whole force are going to the coast with the rear guard at Chaicos.

When the officers of the U.S. steamer Susquehanna landed at Vera Cruz, some of the Mexicans cheered them, for which they were afterwards beaten and badly wounded by the French soldiers.

On the 3d of January some robbers threw a train off the track near Vera Cruz, and robbed all the passengers .---They also robbed the diligence and outraged three female passengers.

Charles Moorhead of New York, and Davis & Co., the largest banking firm in San Luis Potosi, were imprisoned for six weeks in a cell for an offence against the French officers.

THE increase of the new copper coins goes on with great rapidity. Of the new five cent pieces there have been no less than 2,457,000 issued, showing that the determination to furnish as ample supply of this coin is still prosecuted in good faith. They are becoming more numerous in active circulation, but the field is so extensive that the public demand will readily absorb all that can be coined for a long time to come. The coinage of two and three cent pieces is steadily progres. sing, 311,250 of the former and 553,000 of the latter have been produced during the month.
